The following Memorial from the North Carolina Conference was read and adopted:

A MEMORIAL

From the North Carolina Conference to the Southern Christian Convention:

In 1919 the North Carolina and Virginia, the Eastern North Carolina and the Western North Carolina Christian Conference, with the permission of the Southern Christian Convention, merged into The North Carolina Christian Conference, duly incorporated under the laws of North Carolina.

From the first there was dissatisfaction with the merger. Some objected because of the name, others because of the size of the united body, and others for still other reasons.

Accordingly at its 1921 session the North Carolina Conference authorized its Executive Committee to take a referendum vote on three questions, namely for one, two or three conferences in its present bounds. The enabling resolution is fully set forth on page 104 of the 1922 Christian Annual and need not be recited here.

This vote was taken and resulted as follows:

For one Conference (14 churches).....	40 votes
For two Conferences (11 churches).....	28 votes
For three Conferences (60 churches).....	141 votes
Not voting (33 churches).....	72 votes
Total, 118 churches	279 votes

We were further authorized to take proper action to make the referendum vote effective. Since this Convention has the sole right to fix Conference boundaries, we report these facts to you and seek your permission to restore the three former Conferences in North Carolina to their original boundaries.

We suggest that you appoint a special committee to consider how this may most equitably be done and to report their recommendations at this session.

R. L. WILLIAMSON,
P. H. FLEMING,
W. A. HARPER,
Executive Committee.

The report of Treasurer W. C. Wicker was read as follows, and referred to the Committee on Finance:

The report of the Executive Board was read and adopted as follows:

REPORT OF EXECUTIVE BOARD

We borrowed and executed notes for a loan of \$3,500.00 from the Mission Board for the "Christian Sun," and this under the direction of the Raleigh Convention, and we recommend that this indebtedness as other "Sun" obligations have been paid from that fund by sanction of the Campaign Committee of the Men and Millions.

We elected D. R. Fonville on Committee of Location of the Junior College, and also elected T. H. Denney a trustee of the same.

We accepted the invitation of the Suffolk Church as a place for this session.

We prepared program, which we herewith submit.

Report of Committee on Revision, submitted and adopted as follows:

On account of the lack of money the publication of the Revised Principles and Government, approved by the last Convention in Raleigh, has been delayed; but plans are under way, at the present time, for the issuance of the book at an early day.

Report of Committee on Super-Annuation read and adopted as follows:

In keeping with the vote of this Body at its last regular session your committee met in Raleigh, N. C., on December 9th, 1920, and organized by electing J. O. Atkinson, Chairman; W. M. Jay, Secretary; K. B. Johnson, Treasurer. The Board voted to ask all Conferences of the Convention to raise a sum equal to 5 cents per church member or its equivalent annually as a Super-annuation fund, provided no Conference be asked to raise less than \$100.00. This request was presented to the Conferences in their 1921 session and those not already doing so voted to accede to this request. Suitable applications were prepared for applicants to fill out when desiring to become beneficiaries of this fund. These blanks were sent to prospective beneficiaries so far as the Board had been able to find out regarding same.

We endeavored in our appropriations to follow as far as we could the regulations laid down in the Minutes of this Body at its session two years ago with the following result:

	1921	1922
Rev. J. W. Wellons, Elon College, N. C.....	\$ 100.00	\$ 100.00
Rev. W. G. Clements, Morrisville, N. C.....	200.00	200.00
Rev. J. D. Wicker, Sanford, N. C.....	250.00	250.00
Rev. C. M. Dollar, Malone, Ala.....	60.00	75.00
Rev. W. R. Knight, Roanoke, Ala.....	60.00	75.00
Mrs. L. I. Cox, Elon College, N. C.....	200.00	200.00
Mrs. C. C. Peele, Elon College, N. C.....	200.00	200.00
Mrs. A. W. Lightbourne, Norfolk, Va.....	200.00	150.00
Mrs. W. T. Herndon, Winston-Salem, N. C....	200.00	150.00
Rev. W. S. Long, Chapel Hill, N. C.....		200.00
Total	\$1,470.00	\$1,600.00

Fund is paid semi-annually on the 1st of January and July. Secretary of Board notifies President of S. C. C., who issues vouchers on Convention Treasurer in favor of beneficiaries.

A second meeting was held at Raleigh, N. C., January 25, 1922, and funds voted as stated above. Board voted to memorialize Convention to consolidate funds for Super-annuation so that they may be disbursed and paid out by the Board.

These funds are now held in part by the Treasurer of the Board of the Super-annuation, the Treasurer of the S. C. C., and the Treasurer of the Men and Millions Fund. At the first meeting of the Board it was voted to ask the Conferences to turn over their Super-annuation funds to the Treasurer of the Board. Some Conferences did and some turned theirs over to the Treasurer of the Convention. Hence the confused division of the sources of this fund.

The Convention should rejoice that the day has come with us when those who have given their best strength and efforts for their church in their declining years or years of dependency can feel that they are not forgotten and are to some extent at least appreciated. Reports from various sources indicate that the churches everywhere highly approve of the efforts being made to consolidate our funds and thus care for all the Convention's beneficiaries with equal favor, devotion and concern for each.

Respectfully submitted,

The report of the Committee on *Temperance* was read by Rev. J. W. Holt, Chairman, and on motion adopted, after discussion as follows:

REPORT ON TEMPERANCE

Temperance, as applied to good things, means moderation, as applied to evil things, it means prohibition. In the light of this statement the Bible which is a prohibition book, and the Church, which is built upon this book, should stand solidly behind the prohibition of the liquor traffic and other evils. The Church should present a solid front against all forms of evil.

Since the last session of the Convention national prohibition of the liquor traffic has withstood the attacks of its enemies and today is more strongly

intrenched in the nation than ever before. More efficient law enforcement is necessary in order to gain the full benefits of prohibition and we advise all our people to aid in enforcing the laws against the liquor traffic.

Sabbath desecration is a growing evil and our people should become aroused in regard to it. Parents should use their divinely given authority to restrain their young people from such desecration of the Holy Sabbath day.

Cartoons in the public press and films in the moving picture shows, should be rigidly censored to prevent their suggesting unwholesome, impure and immoral thoughts and acts to both old and young people.

Modern styles in dress is hurtful to both the wearer and the observer. We favor text books on the nature and effects of alcohol for our public schools. We deplore the increase of juvenile parentage and the disregard of marriage vows. The Church should lead in moral and social reforms and not follow the ways of the world.

Report of the Women's Convention read by Mrs. W. A. Harper, and adopted as follows, and the officers named therein elected.

REPORT OF THE WOMEN'S BOARD

The Women's Missionary Convention held its most largely attended session in the Methodist Church this morning and afternoon, more than two hundred women attending each session. The reports of the officers of the Convention and Conference Woman's Boards revealed an encouraging and wholesome progress, despite the much advertised depression of things financial and spiritual.

Following the custom of our reports from the beginning of our work ten years ago, I will give you by biennial periods the records of our financial growth:

BIENNIUM	RAISED	RATE OF INCREASE
1912-'14	\$ 1,960.27	
1914-'16	3,116.25	60% increase
1916-'18	5,585.97	80% increase
1918-'20	12,753.35	130% increase
1920-'22	21,026.46	65% increase

Only \$17,328.23 passed through the hands of the Treasurer, Mrs. W. T. Walters, the other being retained or expended directly by the Conference Treasurers.

You will observe from these figures that in this our fifth biennial period, we have raised more than ten times as much as we did in our first biennial period.

Our goals for the next biennium are:

Money to be Raised	\$25,000.00
New Organizations	100

These goals are apportioned as follows:

Valley Virginia Central	1,500.00	10
Georgia and Alabama	750.00	25
Alabama	750.00	25
Total	\$25,000.00	100

THURSDAY—FORENOON SESSION

May 4th, 1922.

Convention met and called to order by President at 9:30 o'clock. Devotional services conducted by Rev. J. Lee Johnson.

Roll call. Minutes of yesterday read and approved.

The President appointed Rev. P. H. Fleming, D. R. Fonville, and D. A. Long a committee on the *Memorial from the North Carolina Conference*.

Rev. W. D. Harward and J. U. Gunter were added to the committee on *Apportionment*.

Bill of Secretary for \$12.50 was referred to the Committee on Finance.

Resolved that the Board of Religious Education be composed of seven instead of ten members.

It was moved and carried that the President appoint a committee of three to submit revised ministerial report blanks, church report blanks, and tabulation blanks for the various conferences of this Convention.

Committee on Resolutions made a report, which was referred to the Board of Publications.

The report of the Men and Millions Committee was taken up for consideration, and adopted as follows:

REPORT OF THE CAMPAIGN COMMITTEE OF THE MEN AND MILLIONS FORWARD MOVEMENT

Owing to the very vigorous and persistent activity of the Men and Millions Movement just prior to the Convention of two years ago that session deemed it wise to cease agitation among the churches for the time being, and give the membership time to meet their obligations and pay their

pledges. The Committee has endeavored to respect this decision of the Convention and to carry on only such propaganda as seemed essential to keeping alive the spirit and purpose of the Movement. The Committee has had meetings from time to time to hear reports from the Executive Secretary and to discuss such matters as seemed to pertain to the maintenance and progress of the Movement. The work of the Committee has been divided into constituent parts and shows the following results.

ORGANIZATION

President W. A. Harper has continued his work as Secretary of organization and has sent out several circular letters calculated to stimulate activity and to keep the organization in the local churches and conferences intact as well as in the regional districts. Plans have been adopted to ask conferences in session as such in case there are vacancies to qualify successors.

In addition to this when Mr. J. A. Dickey was in the field as the representative of the Campaign Committee this office undertook to direct his work, receiving detailed reports from him and filing the same with the secretary of the committee.

He has answered numbers of letters from interested individuals, copies of which are on file in his office.

He attended the meetings of the chief leaders of the movement in the Eastern Virginia Conference, and also in the North Carolina Conference. This past fall, at the suggestion of these two Conferences, the Continuation Campaign Text Book was printed with the assistance and approval of the other secretaries of the Campaign Committee.

CONSTITUENT'S ELEMENTS OF THE MOVEMENT

Early in the present year the Campaign Committee realized the necessity of some propaganda in the interest of the constituent elements, or integral parts of the Movement, namely, Stewardship, Life Dedication and Life Recruits. Accordingly, the Committee asked its Chairman, J. O. Atkinson, to conduct a four months' campaign of Stewardship, and the Secretary of Organization, Dr. W. A. Harper, to conduct a four months' campaign for life dedication or increase in church membership. The Stewardship campaign was to cover the period January-April inclusive, life dedication, May-August, inclusive. The period September-December inclusive is contemplated as a time for seeking to win life recruits.

Only the first period has elapsed. During this period the Secretary of Stewardship secured, for the most part already printed, but in some instances by having printed the best literature he could on the subject of Stewardship and Tithing. This was distributed to the best advantage possible among the membership of the churches. In all there were sent out about 15,000 pieces of this literature to Pastors, Captains, Women Leaders and others requesting it. All pastors were invited to preach sermons on Stewardship and Tithing and to take such advantage as they deemed best of using the literature and other agencies to increase the number of tithers in the church. Tithing pledge cards were also sent out to all pastors. Owing to the fact that many pastors had on hand plans and programs for Easter and other services they have not yet carried out in their congregations their plans for increasing the number of tithers, but purpose doing so at an early date. Some have on now the Campaign for tithers and from some churches the returns are coming in with a gratifying increase in the number of those who have signed the pledge to tithe. It is too early yet to give any definite number or estimate of the increase secured. The interest in tithing we know has been greatly stimulated and will result in permanent good.

The campaign for life dedication or increase in membership, it to begin at once, if this Convention approves, and that is to be followed by the campaign for life recruits later.

PRESENT STATUS

Two years ago we were just out of the field flushed with victory, but worn with the conflict. We were advised that now the people should be let alone. There had been enough agitation, organization and irritation. The voice of the Convention was heeded. There has been a period of comparative quiet and ease from agitation. And yet the Committee feels as it did two years ago that the movement has really just begun. The efforts put forth, time and money spent, and results achieved in that campaign are all too valuable to let go longer and further. The pledges that were given should be collected; the increase in membership so well begun should be continued and the life recruits enlisted should be cultivated and efforts put forth to secure others. The Committee feels that the Convention is under moral obligations to all its constituents to prosecute the work further and thus reap the fruits of labor so faithfully done. To this end we recommend, that the Mission Board of the Southern Christian Convention be authorized to prosecute the work and plan for the Movement's perpetuation and that the Board of Religious Education be requested to co-operate to such an extent as may be requested by the Mission Board. The said Mission Board is hereby authorized to employ such field and office force as may be necessary. All salaries and expenses connected with Men and Millions Campaign to be paid out of receipts from this source before division to different Boards is made.

That all general officers of the Church and its institutions place themselves, as far as possible, at the disposal of the Board of Directors, and that said Board do all in its power to stimulate interest in the movement and thus not only reap what has been sown, but sow and cultivate for other and better harvests.

He has met regularly with the Campaign Committee and has cheerfully performed every duty that has been asked of him to the best of his ability.

He has sent collection envelopes to those applying for them as well as record books and notification slips, and written articles from time to time for the "Christian Sun."

In this way he has kept the organization intact, and has thus maintained the unity of the movement.

EXECUTIVE SECRETARY

The Executive Secretary has kept the accounts with Captains and local collectors in the churches and has been instant at all times in his endeavor to collect funds as rapidly as possible and turn same into the hands of the Treasurer. He was aided in the field in this work by Field Agent J. A. Dickey several months of last year. Brother Dickey visited many Captains and Treasurers in the churches in the endeavor to stimulate collections and sustain interest in the work. The Executive Secretary presents the following as of April 30th, 1922:

AMOUNT SUBSCRIBED

Eastern Virginia Conference	\$290,486.25
North Carolina Conference	174,916.25
Georgia and Alabama Conference	29,968.50
Alabama Conference	19,915.25
Virginia Valley Conference	18,625.45

Total amount subscribed by all conferences.....\$533,911.70

AMOUNT PAID

Eastern Virginia Conference	\$ 39,903.38
North Carolina Conference	16,754.74
Georgia and Alabama Conference	1,159.20
Alabama Conference	1,309.88
Virginia Valley Conference	3,657.80

Amount paid by all conferences\$ 62,785.00

Balance pledged\$471,126.70

Estimating that seven-twentieths of the total subscribed for the five years is now due, this amount if collected would be \$186,869.09. Of this the above shows collected \$62,785.00 leaving a balance now due on pledges \$124,084.09. That is, there has been collected to date a fraction over 33 1-3 per cent. of amount pledged and now due. In the face of the sore business depression through which we have passed, we still feel hopeful and have the faith to believe our people will make good their pledges if the matter is properly kept before them.

TREASURER'S REPORT

Treasurer C. D. West reports a balance of (\$14,483.69) Fourteen Thousand Four Hundred and Eighty-three Dollars and Sixty-nine Cents, in hand as of April 15th, 1922. Attached thereto is an audit of John W. Read certifying as to the receipts and disbursements, and giving a grouped statement of the various funds to which the latter were chargeable, together with a certificate that the amount above is duly credited to C. D. West, Treasurer, in the Bank of Waverly, Va.

The audit of John W. Read, Newport News, Va., April 19th, is as follows:

(Signed) JNO. W. READ,

RECORDING SECRETARY

The Recording Secretary reports that the Campaign Committee has met in official session ten times during the biennium and has faithfully attended to all routine and other matters coming within the jurisdiction of the Committee.

Under date of January 25, 1922, the Executive Board of the Southern Christian Convention made formal request to the Campaign Committee of the Men and Millions Forward Movement to consider, pass upon and authorize the payment of the Christian Sun deficit from the Men and Millions Forward Movement Fund before any distribution was made, in order that all departments of the Convention should share alike in the "Sun's" deficit. The Committee met on January 29, 1921, to consider this request and after due consideration unanimously voted that the same be granted, and accounts be approved by D. R. Fonville, Chairman of the Board of Publication and C. D. Johnson, Executive Secretary.

We are all agreed that it will be an injury to any local church to let the matter go as it now is, and a positive injury to the Church and the cause so dear to us to leave undone any reasonable effort to collect all pledges made and to secure others as may be deemed wise and possible. We have made a great beginning in a good matter. As a church we should devote to it our wisdom, our prayers and our heartiest co-operation. It is the greatest co-operative movement along all lines of our endeavor we have ever undertaken and it behooves us to devote to it our best in devotion and in effort.

April 25, 1922.

Very respectfully submitted,

W. K. HOLT,

Chairman Board of Trustees.

The two years included in this report have been filled with many great blessings. The kind Master has so blessed us that the hearts of His people have been touched, and we have been permitted to accomplish a great deal in the Orphanage work.

The Children's Home that we mentioned to you in our last report has been built at a cost of thirty-two thousand eight hundred and twenty dollars and four cents (\$32,820.04) including water, lights, sewerage, heating plant and furnishings.

This is a splendid structure of brick, a two-story building with four large basement rooms with cement floors. This building contains twenty rooms besides the basement rooms and will accommodate seventy-five children if we see fit to put that many in it. We have at present thirty-two little tots in it.

All the four buildings have been recovered during the last two years and our barn was not adequate to take care of the feed and give room for the horses and cattle so we cut enough lumber out of our own pine forest to make all the framing and have built and equipped a new modern barn on the Lowder plan, 50 feet long by 36 feet wide at a cost of one thousand three hundred and twenty dollars and nine cents (\$1,320.09). This barn is a great asset to the farm department in housing the stock and in giving plenty of room to store feed raised on the Orphanage farm.

We are grateful for the loyal support of the entire brotherhood during the two years just past and feel that by having the support we have had, that much has been accomplished in our work.

We are now taking care of eighty-five children. We hope to get the income up to the point that will permit us to reach our goal of one hundred in the near future.

People outside of our denomination have been very kind to us, and we wish to mention to this Convention the endowment fund given by Mr. Lawrence S. Holt, Sr., formerly of Burlington, N. C., now Washington, D. C., which brings into our Treasury one hundred dollars (\$100.00) per month. We want to mention the three thousand dollar (\$3,000.00) contribution he gave us on the new building, the largest single contribution we received.

We also mention the splendid contribution of two thousand dollars (\$2,000.00) given by Mr. Jas. N. Williamson, formerly of Burlington, now

of De Land, Fla., which was given especially for the heating of the building.

We mention these three contributions to show you that people on the outside of our denomination are also interested in our work, which ought to stimulate us to greater efforts.

We are grateful to the fertilizer manufacturers for furnishing a large part of the fertilizer free of charge, that we have used on the farm during the past two years. We are also grateful to the cotton mills in Alamance County and other counties in North Carolina for the large amount of cloth they give each year as Thanksgiving offerings.

We are grateful to the good women for the many nice quilts, blankets, sheets, pillows and pillow cases; also for the clothing which they send to us from time to time. It is a great help in the work and we are profoundly grateful.

We are happy to present to this Convention, in addition to the original Christian Orphanage building, another splendid new building with all modern conveniences valued at more than \$32,000.00 with thirty-three little orphan children within its walls with room for forty or fifty more.

We are glad to say to you that you have in the Christian Orphanage plant including lands, buildings, farm and dairy equipment a plant valued at \$100,000.00 with eighty-three little orphan boys and girls to love you and appreciate what you do for them that they may have an equal opportunity in life with other boys and girls. We are also glad to say to you that this Institution has no debt but we have to our credit in cash, due bills, and Liberty Bonds the amount of \$4,355.26.

W. K. HOLT, *Chairman.*

The Secretary was instructed to write a letter of thanks to Mr. Lawrence S. Holt, Sr., Washington, D. C., and to Mr. James N. Williamson, De Land, Florida, for their generous contributions to the Orphanage.

Rev. H. P. Clark, Pastor of the Main Street M. E. Church, South, Suffolk, Va., was introduced to the Convention.

Rev. S. A. Howell, President of the Afro Christian Convention, and a delegation from the Convention were introduced, and after brief remarks rendered some of the inspiring old songs, peculiarly dear to the colored people of the South.

The report of the Committee on the location of the Junior College was submitted, and adopted as follows:

REPORT OF THE COMMITTEE ON JUNIOR COLLEGE

For quite a number of years it has been the desire and the hope of our people of the Christian Church in Georgia and Alabama that a school for the training of the young men and women in that section of our work would some day be established and functioning in their midst. This hope has from time to time seemed to vanish and then would again appear, until at last some definite action has been taken and the school so much desired and needed is, we trust, on the way.

Our Men and Millions Forward Movement had as one of its objectives the meeting of this need in our work of the far South with the building of an educational institution somewhere in that section. This was a part of our stated program, and funds were subscribed with that in view.

In keeping with this idea, the 1920 session of this Convention, in body assembled at Raleigh, N. C., elected a Board of Trustees, and also a Committee on Location, the latter being charged with the responsibility of securing a site, procuring a charter, deciding the grade of work to be done,

and the selection of a name for the proposed school. (The last named duty of the Committee was authorized by the last session of this body.)

The Committee on Location has gone about the work assigned since the above named session of the Convention, and at this time it is a pleasure to report the progress that has thus far been made.

A number of bids for the school were received, all of which were duly considered, the award of the location finally going to the town of Wadley, Ala. Among the bids submitted to your Committee that of Wadley seemed the most inviting, for the reason that the town is situated in the center of a group of substantial rural churches from which student support may, with a large degree of certainty, be expected; and for the further reason that the financial concessions proposed were better than from any other community bidding for the school. The financial inducements proposed included the offer of an ample site, with a splendid cash donation besides. This bid having been accepted, the Committee has in hand a warranty deed to a tract of land just north of the town of Wadley, this tract consisting of 44.75 acres, and a subscription list for cash totaling \$22,262.50. It should be said that the site donated is a gift from Mr. John M. Hodge, Cashier of the Bank of Wadley, and a member of the Methodist Episcopal Church.

As to grade of work to be done, we wish to report that it is our decision that the school shall have, for the first few years, a six years' course of study, covering four years of accredited high school work and the first two years of a standard college course.

We have prepared a charter for the school, this charter requiring that this Convention elect a new Board of Trustees, or the re-election of the Board chosen two years ago. The law of the State of Alabama, in which the school is located, requires that the charter be certified to by the Trustees within thirty days after their election, and when the charter has been so certified and recorded in Randolph County, Alabama, the county in which the school is located, the Board of Trustees will then be duly empowered to effect an organization within themselves and to proceed with their work.

The name chosen for the proposed institution is Bethlehem College, Wadley, Ala. The Committee is informed by the Secretary of the Alabama Christian Conference that this name has met with general approval and satisfaction.

The outlook for this institution is one of splendid promise, provided the project elicits and enlists the hearty co-operation of our people generally. The town of Wadley is solidly interested in the school and expects it to be a success, having pledged herself to labor zealously and unitedly to that end. Our Conferences in Georgia and Alabama are looking forward with keen anticipation to the beginning of this enterprise, and stand ready to throw themselves whole-heartedly into the endeavor to make it a success. The need is there and the opportunity waits at our door. We cannot afford to fail, and, God helping us, we shall go forward to success in this undertaking.

We recommend that the title to the site for the college, which is now in the Southern Christian Convention, be conveyed to the Board of Trustees of Bethlehem College, when said Board has been duly and legally incorporated.

D. R. FONVILLE,
W. A. HARPER,
Committee.

Note—Due to the press of other duties Rev. L. E. Smith resigned from the Committee and Mr. D. R. Fonville was elected by the Executive Board to fill the vacancy. The Executive Board also elected Dr. T. H. Denney, Wadley, Alabama, to fill the vacancy on the Board of Trustees caused by the death of Mr. W. D. Mitchell, Cragford, Alabama.

As information, we should like to say that Dickert, Abanda, and Roanoke, Alabama, and Columbus, Americus, and Ambrose, Georgia, were very much interested in securing the location of the school, some of these places going far enough to make splendid offers.

The report of the Board of Publications was read by Mr. D. R. Fonville, Chairman, and considered by items.

Report of Rev. C. B. Riddle, Editor, was submitted.

Address—"Publications," by Rev. C. B. Riddle.

Adjourned for dinner.

THURSDAY—AFTERNOON

Convention met and called to order at 2:30 o'clock. Devotional services led by Rev. P. T. Klapp.

Dr. L. E. Smith led in special prayer for the mother of Sam Davis, the blind pianist.

The Secretary was instructed to send a telegram of sympathy to Mr. Sam Davis.

Consideration of the report of the Board of Publications was resumed, and after prolonged discussion the report was adopted as follows:

REPORT OF BOARD OF PUBLICATION

Not in the history of our publishing interest in the South has the Board faced such problems as it has during the last biennium. During this period our Editor and Publishing Agent has kept each member of the Board fully informed as to existing conditions. The Board has also met in several sessions and done its best to reach some conclusion for the good of our cause as represented through the printed page, and especially that of "The Christian Sun."

"The Christian Sun" has sustained a total deficit of \$14,113.87 during the bi-ennium, and we realize that only by strictest economy have we been able to keep the deficit as low as it is. Our Editor has provided his own office and book store free of any rental charge to the Convention. The last Convention voted to allow him \$1,000.00 per year for office help, but only \$1,420 has been expended in this way, the Editor chosing of his own volition to meet this expense in face of the continued deficit.

The Board has investigated the cost of printing "The Sun" and finds that we have been given a fair and reasonable price—a price that we have been unable to duplicate in workmanship for the same money.

Your Board has also looked into the future cost of maintaining "The Sun" and is convinced that a deficit for the next bi-ennium will be equal to that of the last two years. A deficit in maintaining "The Sun" is a duplicate situation with practically every Church paper. Our College, our Orphanage and other institutions have to be endowed in order to meet their running expenses. These conditions have been since their beginning, and the public expects it as a matter of business and accepts it without question. But the Church paper situation is different. The public has been taught to think that a publication should pay its own way. Labor has asserted herself, working conditions have been completely changed, to stay changed. The price of printing materials are no longer cheap, as they once were; and so these things bring an entirely new day to the publishing industry. We, therefore, after close study and prayerful consideration, go on record

as believing that the only thing that can be done is to operate at the least expense, keeping in mind the character, efficiency, and service of "The Christian Sun" and set ourselves to the task of providing the deficit that must come, if "The Sun" is maintained.

Your Board, therefore, clearly sees that within the next five years that the total deficit on "The Christian Sun" will amount to around twenty-five or thirty thousand dollars, unless some provision is made to invest the amount which we must spend for deficit, with a view of making it realize an income to offset the loss.

Your Committee is conscious of the fact that with a continued deficit on "The Christian Sun" some provisions must be made for securing the money with which to meet this deficit. We further realize that even if the Men and Millions Forward Movement continues its present relations with "The Sun" that is, paying the deficit before the distribution of the funds, that the time will soon come when this source of revenue will be cut off.

During the first part of this year our Editor and Publishing Agent enlarged the book business and the records show that there is considerable promise to this part of the work. We encourage this department.

We make the following recommendations:

(1) That if "The Sun" is maintained, the price be reduced from \$2.50 to \$2.00 per year effective June 1, 1922.

(2) That the Board of Publication borrow from some Board of the Church the sum of one thousand dollars to be used as a capital to enlarge the Publishing Agent business.

(3) That the Christian Annual be officially recognized as the property of the Southern Christian Convention, and that the Convention assume all responsibility for its publication. And that the deficit of \$698.98 sustained in the publication of the 1921 Annual be paid by the Convention.

(4) That in future editions of "The Christian Annual" the Editor be authorized to publish only reports and actual necessary happenings, omitting all preliminaries and unessential detail.

(5) That the Board of Publication be incorporated under the laws of the State of North Carolina as a department of the Southern Christian Convention.

(6) That we go on record as favoring a better grade of literature for the Sunday Schools, and that the Board of Religious Education be asked to take up the matter with the Sunday School Committee, of the American Christian Convention, looking toward a more creditable literature for our Sunday Schools.

(7) That the Board of Publications be authorized to make all contracts for printing periodicals and publishing literature to be issued under the authority of the Convention.

D. R. FONVILLE,
W. J. GRAHAM,
J. PRESSLEY BARRETT,
J. D. KERNODLE,
Committee.

W. P. Lawrence, R. F. Brown and P. H. Fleming were added to the Board of Publications.

It was moved and carried that the Committee on Revising Report Blanks be allowed thirty days to prepare report and submit to the Executive Board.

Report of the Mission Board was submitted and adopted as follows:

REPORT OF MISSION BOARD

There is no greater cause for gratitude and rejoicing in our Convention than the awakening interest in missions. Our beloved and faithful pastors are emphasizing the missionary teaching of the Bible as never before, and are holding up to their congregations, in sermon and in service, the Bible as a missionary book. Our Sunday School superintendents and teachers are realizing that they are real factors in world wide evangelization, and our Sunday Schools are fast becoming missionary classes and organizations. Our women are organizing missionary societies in every church, and our young people are forming societies for missionary study and activity. Men and women amongst us who five years ago were indifferent to missions, and gave a scant dollar a year to missions, are deeply concerned now in every missionary movement and are liberal contributors to missions. We have in the constituency of this Convention one church that now sends out and supports three missionaries. We have one Sunday School which by its free will offering in the regular collection of once per month, supports a foreign missionary in Japan at a salary of \$1,000.00 per year, and we have a rural school at which there is preaching once per month, that has voted to build a church of its own type and kind in some foreign field, and is monthly collecting a substantial sum for this purpose. Numbers of our schools are not only giving one offering a month to missions, but, that which is equally if not more vital, have a missionary superintendent or lecturer to bring before the school each Sunday, or at least once per month some missionary message of information and inspiration. There is a constant and growing demand for missionary literature, missionary lectures, missionary sermons and missionary propaganda. Your Board cannot help feeling grateful beyond words at this unmistakable evidence of the genuine and permanent missionary awakening amongst us. But what has been done is only an earnest of what may be done, and makes a beginning from which we should press on to ever increasing duties and achievements. What we are doing for missions neither exhausts our efforts nor impoverishes our resources; it but stimulates our endeavor and increases our resources. We are learning that the missionary idea is not something apart from, attached to, or an amendment of the gospel's original constitution; but it is the vital element in the gospel itself. It is a part of the supreme law of the spiritual land. "I bring you good tidings of great joy which shall be to all the people." The very announcement of our Savior's coming is in the missionary key, and the messenger straight from the courts of the King, could not be mistaken in the nature of the message. Every true, vital and full message of the Gospel must be missionary. God so intended from the beginning.

On the 1st of September, 1917, your Board began missionary activities through its field secretary. The financial objective for the first five years following was to secure pledges in the sum of \$100,000.00, to be paid in five annual installments and to increase missionary offerings through the regular Conference and other channels. Pledges were secured to a total of \$125,000.00 and there is a balance to be collected on these pledges of \$40,232.00. Estimating four-fifths of the five years period as now past, there is now due on these pledges and unpaid \$15,232.00. The Secretary has collected and sent into the President of the Convention since September

1, 1917, \$84,632.44. Instead of decreasing, the contributions to missions through the regular channels have increased nearly 100 per cent. during this period of individual initiative and contributions.

FOREIGN MISSIONS

In order that there might be the closest co-operation and absolute harmony between this Board and the Foreign Mission Board of the American Christian Convention the two Boards met at Dayton, Ohio, February 1, 1921, and the following was unanimously adopted as the working basis of the two Boards:

"It is mutually agreed by the A. C. C. Board and the S. C. C. Board that 50 per cent. of all foreign mission funds contributed by the S. C. C. shall go into a work in China, this amount to be supplemented by a 20 per cent. increase from the A. C. C. Board for a period of five years. This five-year period to begin as soon as the S. C. C. Board shall have paid into the treasury of the A. C. C., Board funds sufficient to build a night school and kindergarden building in Japan at a cost of \$12,000.00 and finish the mission home in Japan at a cost of \$9,000.00 in addition to the amount already on hand for the purpose. The above conditions being met the S. C. C. Board agrees to put 50 per cent. of its funds into the general fund for foreign missions.

If this agreement is entered into the S. C. C. Board will undertake to raise twenty-five thousand dollars a year (\$25,000.00) as a minimum for the next five years."

The \$21,000.00 called for in this agreement from this Board for the Missionary Home and the Kindergarden and Night School has all been paid and we are now working to further the other parts of the program of agreement and co-operation.

This agreement was reached after thorough discussion of the greatly increased budget which our A. C. C. Board had in contemplation and which budget was adopted following the adoption of the above plan of co-operation. This budget for 1921 was for Japan, including regular and specials \$49,905.00. For Porto Rico, \$20,164.00 including specials and extension work. For union work, \$1,870.99. For administration, \$5,000.00 making a total budget for the year of \$76,870.99. This increased budget means increased activities along all lines both in the foreign field and at the home base. We are most happy that a plan of co-ordination has been worked out, and a responsibility laid upon this Board by the Convention has been so agreeably met and discharged.

MEN AND MILLIONS

This Board has been deeply interested in the Men and Millions Movement from its incipency and has given its full support to the Movement as best it could. It has used its Secretary to further the ends of that Movement at all times and stands ready to aid in every legitimate way the undertakings and plans of the Campaign Committee or Directors of the Movement.

EVANGELISM

Two years ago we reported to the Convention our activities in the field of evangelism, as we had been commissioned by this body to do. These endeavors were maintained through a regular evangelist until September 15, 1921. The department was maintained from the last session of this body until September 15, 1921, with a financial deficit of \$2,798.93. But through this department during the period there were reported 492 conversions, and 242 additions to the churches. We feel, therefore, that our endeavors and expenditures in this line were not in vain.

OUR MOUNTAIN WORK

Two years ago it was announced to the Convention that a mission work was contemplated to begin by us in the mountains of Virginia under the leadership of Miss Iola Hedgepeth. In November, 1920, it was decided to open a school in Carroll County, near Hillsville, Va., and Miss Hedgepeth, securing a very inadequate and dilapidated building, soon had some 80 pupils enrolled in day school and nearly that number in Sunday School. Last summer she was assisted by two teachers in the six weeks' summer school. During the summer it was decided to erect a house for day school and Sunday School purposes. A committee composed of President W. W. Staley, of this Convention; Miss Bessie I. Holt, Superintendent of Young Peoples Work, and J. O. Atkinson, Mission Secretary, went to Fancy Gap, Carroll County, Va., and made purchase of about 17 acres of land at a cost of \$491.00 as a site for our school and contemplated church buildings. One acre was donated by G. W. Edwards, making our holdings 18 acres. A modern, ample and comfortable house has been built at a cost of \$3,207.74, and has been occupied for some months by our teachers and school. During the past year Miss Hedgepeth has been ably assisted in her work of teaching by Miss Emily Midyett, Norfolk, Va., and supported by Christian Temple. This work has been and is exceedingly promising of results, and the people there now are demanding of us a preacher. This summer a preacher is to go for us and we are hopeful that permanent work of grace may be done in that region where education and the gospel are so much needed.

OTHER POINTS HELPED

In the Alabama Conference we are helping in erecting a church and supporting the pastor in North Alabama, where a new work was opened about eighteen months ago. Rev. J. W. Elder is the pastor in charge, and the new church now nearing completion is at Pisgah, Ala. A country church some miles distant in Culman County, is now nearly self supporting. The Northern Alabama field is very inviting and the work done there thus far seems to have yielded very satisfactory results. The Alabama Conference is of course co-operating in the Northern Alabama work and seems exceedingly grateful for the aid the Convention has been able to render.

In the Georgia and Alabama Conference we are helping support the work at Rose Hill, Columbus, Ga. Rev. R. F. Brown, Pastor. We have here a very attractive church building and parsonage in a residential section of the city. The church has had quite a struggle, as all churches seem to have in getting thoroughly established, but the present pastor is very hopeful and the Conference quite grateful for the aid rendered. We helped in the purchase of a lot at East LaGrange, Ga., the congregation there, newly organized, agreeing to build if we would assist in purchasing the lot.

In the Virginia Valley Conference we are aiding First Church, Winchester, Va., which is now practically out of debt and which we have reason to believe after another year will be self-supporting. We have a very promising work here in the very heart of the city and we feel that all the money the Board has spent here has been well invested. We assisted in the expense of locating Rev. R. P. Crumpler at Luray, Va.

In the North Carolina Conference we helped Reidsville until a year ago, when it finished its indebtedness, but which is now self-supporting and no longer requires assistance from us. We have appropriated \$250.00 to Mebane and have pledged \$500.00 more provided plans and specifications of the building promised there meets the approval of the Board, and provided further, the building does not cost less than \$2,500.00. We are assisting the work at Franklinton, N. C., which has temporary quarters in the first floor, or cellar, of a building now begun. Rev. D. A. Long, D.D., is the pastor this year and is located at Franklinton. We are assisting in the work at

Chapel Hill, N. C., in partial support of the pastor while the congregation is seeking to finish liquidating the indebtedness on their church and parsonage.

In the Eastern Virginia Conference we are helping Richmond in supplying a pastor and assisting in the purchase price of their lot and the building which they propose to begin in September. In Norfolk we are assisting what was formerly Third Church, but now known as Christian Temple. So far this congregation has worshiped and is still occupying a mere shack of a plank building. A membership of about 900 has been gathered, and last week began excavating for their new building which is to cost \$200,000. Our Board has materially aided in this work from its very beginning and still feels that no more promising work for returns has ever been undertaken by the Board. We are also aiding in the partial support of a pastor at Prentiss Place, Portsmouth, and in a small way assisting First Church at Portsmouth in paying off a debt of many years standing.

RECOMMENDATIONS

We recommend:

1st. That the work of our Men and Millions Forward Movement be continued and that this Board lend every effort in justice to its other endeavors to help further the progress of the Movement.

2nd. In as much as the demands on this Board for funds are increasing far more rapidly than the funds for meeting these demands, and as we have outstanding pledges which call for increased income, and in as much as in many churches and among many of our people the Men and Millions Movement did not function, we urge the endeavor to secure individual pledges for missions from those who were not reached by or did not participate in the pledges of our Men and Millions Movement.

3rd. That in order to reach our young people with the missionary message not only will we have to form Young Peoples' Missionary Societies, but teach missions in the Sunday School. We urge, therefore, that every effort be made to get missions taught by some approved method to suit the local situation in every Sunday School of the churches of the Convention and that all our Sunday Schools give one offering per month to the Orphanage and one offering a month to missions.

4th. That inasmuch as our Women's Missionary Societies have proven such blessings to the churches in which they have been organized, that we urge all our pastors to seek the co-operation of the Woman's Board and the Mission Secretary to organize a Woman's and a Young People's Society in each church.

5th. We heartily commend the Christian Missionary published at Dayton, Ohio, to our Missionary Societies and to individuals as a magazine worthy of our heartiest support and a careful reading.

6th. In order to maintain the closest co-operation between this Body and the A. C. C. Board, (Home Mission Department), we approve the appropriation of 10 per cent. of our Convention Mission Fund to the A. C. C. Board annually, and that all applications for help from the A. C. C. Board be passed upon by the Board of this Convention.

7th. That the goal of this Convention for the next two years be 10 per cent. increase in church membership per year, and that our pastors be urged to keep this goal in mind in their several churches, and that we unite our petition to our Heavenly Father that this goal be achieved to the advancement of his Kingdom.

8th. That we continue the work of evangelism as we were instructed to do by the last session of this Body as soon as the Board shall deem advisable, has the means in hand, and the person or persons in sight to prosecute the work.

9th. We ask this Convention to consider today the wisdom of calling the Convention in extraordinary session one year hence to handle such

matters as may come before it looking to the progress of our work and that proper steps be taken looking to making our sessions annual instead of bi-ennial.

10th. We reiterate our recommendation of two years ago that \$1,200.00 should be a minimum salary for single ministers and \$1,500.00 for married ministers.

The last report showed the work of the office financially through August, 1919, total collected of \$34,215.38. Continuing as per reports made and audited we have received through the Executive Secretary and turned over to the Treasurer of the Convention the following amounts by months:

1919—September, \$1,223.63; October, \$1,870.65; November, \$3,372.81; December, \$4,321.45. 1920—January, \$2,607.02; February, \$2,676.33; March, \$2,030.01; April, \$2,863.29; May, \$1,241.55; June, \$2,191.34; July, \$1,193.35; August, \$1,695.37; September, \$831.66; October, \$1,964.36; November, \$2,502.79; December, \$3,001.84. 1921—January, \$1,893.46; February, \$1,563.58; March, \$724.33; April, \$2,654.52; May, \$1,468.90; June, \$1,139.38; July, \$1,391.02; August, \$869.64. Total, \$47,274.28. Less Evangelism, \$8,847.53. \$38,426.75 *total collected by Field Secretary September, 1-19 to 10-1-21.*

The Convention Treasurer's account as rendered shows amounts coming into our hands through the regular channels of the Woman's Board and from the Annual Conferences.

We have paid out for Home Missions, April 1, 1920 to April 1, 1922, \$43,130.64. For Foreign Missions, \$27,668.55. Specials, \$7,036.43. Organization, Administration and Incidentals, \$9,586.65.

REPORT OF THE BOARD OF EDUCATION

THE EDUCATIONAL SITUATION

Rapid changes have occurred in the educational world the past two years. The war gave a great impetus to education and the government through its Vocational Board has initiated innovations of far-reaching consequence, should they succeed. From the standpoint of the curriculum, the emphasis has been upon the sciences, with corresponding decrease in the numbers of students studying the ancient languages. Experiments are being tried too with reference to mental measurements as an aid to determine fitness to enter college and for vocational guidance.

But perhaps the most significant aim has been the erection of standards for colleges. President Wilson, by executive order in 1913, forbade the Bureau of Education to standardize the colleges. However, this bureau is now busy collecting and circulating lists of "Standard Colleges" made out by voluntary educational associations having no legal warrant whatsoever for such procedure, thus accomplishing by indirection what it has been specifically ordered not to do. We called the bureau's attention to this violation of their orders. We also wrote Senator F. M. Simmons. He has the issue now in hand. His view is the same as we expressed, that the bureau is endeavoring to do by indirection what it was ordered not to do directly.

The stronger colleges in wealth and numbers are pushing hard to drive the poorer schools and the small colleges from the field or to reduce them to the status of Junior Colleges. Two years ago we expressed our resentment that standardizing agencies should rate colleges solely by their physical assets. We reiterate that resentment now. It is our conviction, and history sustains us, that small colleges are the effective seminaries of Christian character and of true greatness. It is true of colleges, as of men, that the middle class constitute the nation's finest asset and determine her future.

CHRISTIAN EDUCATION

There is also a growing differentiation of function between denominational colleges and all other types of educational institutions of higher learning, particularly the tax supported institutions. The denominational colleges are to produce citizens too, but they are to produce Christians primarily, men and women not only motivated in terms of Christian idealism, but definitely trained and experienced in methods and principles of promoting the Kingdom's work. So these colleges are strengthening their Biblical Departments and adding Departments of Religious Education. Our own college was among the first to sense this new expectation of the churches. Bible is now required of all Freshmen and Sophomores one hour a week and elective to all Juniors and Seniors. We have a four-year course in Religious Education, treating such themes as the history and principles of religious education, the Christian home, the local church, week-day religious instructions, the auxiliary organizations of the church, and kindred themes. This department aims to accomplish two things—to prepare those who pursue its work for four years to be directors of Religious Education in local churches and to train those who take even a single one of its courses to appreciate the importance of investing their leisure hours in service to the church.

THE CHURCH'S SYSTEM OF EDUCATION

This Board in January, 1921, issued its now famous poster on "The Church's System of Education." The announced intent of this poster was to demonstrate to the eye the articulate relationship between the Sunday Schools of the denomination and Elon. Elon by it is defined as the Sunday Schools of the Southern Christian Convention engaged in the work of higher education. Prominent educators of the country to whom this system was submitted for criticism have declared it to be unique and sorely needed in all the denominations. There can be no doubt that the Sunday Schools of our church are the normal source of supply for students in our college. The church's system of education insists that every Sunday School should regard itself as a local recruiting station for our college and that the college in turn should regard itself as heading up the whole educational work of the church. This poster went forth in February, 1921. The consequence was that we had 32 schools that reached their quota of one Freshman in Elon for every one hundred of enrollment or fraction thereof this year and 34 others are represented in the college this year. For the first time in many years more than half the students come from our own homes.

One other step is necessary to make this co-ordination and correlation

of our college and Sunday Schools complete—a course of study for students in our Sunday Schools of high school age, issued by our college, supplied to the schools, and accredited toward entrance to college. The International Sunday School Council of Religious Education in June is expected to issue such a course. If it should we will edit it, giving it the Elon and Christian setting, and send it forth to serve the cause of Christ in our midst. If not, we purpose to construct our own course along the following four lines, giving a year to the consideration of each theme:

Principles of the Christian Life.
The Bible and Social Living.
The World a Field for Christian Service.
Preparation for Lives of Christian Service.

Those who are acquainted with the curriculum materials now in existence will recognize that other denominations have courses of study similar to these proposals. They do not, however, serve in their published form to unite the local schools and the college. Our system will be unique in that respect. The possibilities that inherit in this statesman-like movement at co-ordination and conservation loom large with prophecy for the progress of our church. This system practiced faithfully for a generation will give us a personnel in leadership trained for Kingdom promotion second to none.

PREPARATORY DEPARTMENT ELIMINATED

The Board of Trustees have eliminated the preparatory department. This step has resulted in a temporary decrease in enrollment. In a few years we ought to recover. There is no doubt but that it was a wise decision. However helpful this department was in the years passed, there is no necessity now for colleges to maintain preparatory departments.

JUNIOR COLLEGE IN FAR SOUTH

There is no need that we should speak in detail with reference to Bethlehem College which our church is to found for the Georgia and Alabama brethren. A special committee will report on it. Suffice it to say that its founding will supply a long felt need in our church as we rejoice in it.

MINISTERIAL EDUCATION FUND

The Convention at its last session voted to merge the ministerial educational funds of the various conferences into one and to make the Treasurer of Elon College, since he is under bond, the custodian of these funds, loans to be made by him upon the order of this Board; request for the same being first approved by the respective conference committees of education. The custodian makes the following report to us, which we incorporate herewith:

REPORT OF CUSTODIAN, MINISTERIAL FUND, SOUTHERN CHRISTIAN CONVENTION

*To the Chairman Board of Education,
Southern Christian Convention:*

As custodian of the funds of the Board of Education of the Southern Christian Convention, I have the honor to make the following report:

There have been turned into my hands by the Treasurers of the different Conferences notes amounting to \$4,467.35; certificates of deposit, Alamance Bank & Trust Co., and Elon Banking & Trust Co., \$1,027.89; balance in bank on checking account, \$38.67; total, \$5,533.91.

REPORT OF AUDITING COMMITTEE

We, the Auditing Committee, have examined the books of Dr. T. C. Arnick, Custodian of Ministerial Funds, and find them correct, showing a balance in bank of \$38.67, and total funds amounting to \$5,533.91.

(Signed) W. C. WICKER,
CHAS. D. JOHNSTON.

April 4, 1922.

The funds and notes that have come into my hands have come from H. B. Floyd, J. A. Dickey, W. A. Harper, W. J. Ballentine and Samuel Earman, Treasurers or Secretaries of their respective conferences. Mr. H. B. Floyd sent me \$233.29 in cash. Samuel Earman sent me the Winchester Church note, and J. A. Dickey, W. A. Harper and W. J. Ballentine sent the remainder.

As yet the Custodian of the Ministerial Funds has not received any funds or notes, so far as his records show, from the Eastern Virginia Conference or from the Men and Millions Forward Movement. It was understood by the Custodian of that fund that all Ministerial funds from these sources should come into his hands.

Very respectfully,

(Signed) THOMAS C. AMICK,

Custodian of Ministerial Funds, Southern Christian Convention.
April 4, 1922.

DEPARTMENT OF THEOLOGY

1. We have given very careful consideration to the matter of undertaking to institute at Elon College a Department of Theology, which will really approach in efficiency the course of study offered in the standard theological seminaries. We approve the idea, but are unable to decide whether the time is now ripe to raise the necessary funds. It could certainly not be undertaken with an outlay of less than \$100,000.00. We refer the matter to the Convention itself.

OTHER ITEMS

1. The increase in number of ministerial students attending Elon this year is most gratifying. This is directly attributed to the Men and Millions Forward Movement. The number of our young men studying in the Yale, Princeton and Chicago seminaries also encourages us to hope for larger growth in the days ahead.

2. There is no doubt that we should officially adopt a college month and annually celebrate it in all our churches. June seems to us to be the most promising month for this purpose, and we so recommend. We urge every church and pastor to co-operate with the college to make this month the occasion of great strengthening for the cause of education in the Convention.

3. The value of the Elon College Fund has been amply demonstrated through the years. With the founding of the Junior College for Georgia and Alabama, part of this fund should go to that school. We recommend that the name of the fund be changed to "Schools and Colleges Fund" and that the portion of it raised in Georgia and Alabama be paid to the school there, a note being given on the same basis as the note to "The Board of Trustees of Elon College."

4. We urge our people to pay promptly their pledges to the Standardization Fund. The college needs the income on this fund and desires that its friends meet their obligations so generously assumed on its behalf.

The indebtedness of the college incurred by increased cost of operation and needed improvements, full account of which was printed in the "Christian Sun" in November, 1921, will have to be cared for by a special fund for its liquidation at a later date. We hardly think it advisable to undertake to raise money for this purpose now.

In conclusion, we wish again to record our hearty approval of our college and of its splendid work. We bespeak for it increased support and the devoted loyalty of all who love the Christian church and are anxious for its growth and prosperity.

2. That the thanks of the Convention be extended to the Orchestra, choir and press for services during the session.

3. That we thank our Convention officers for their kind, efficient and impartial services.

It was moved and carried that all addresses of the session be requested for publication in the SUN.

The Report of the Board of Religious Education was submitted, and on motion, adopted as follows:

REPORT OF THE BOARD OF RELIGIOUS EDUCATION

In presenting this report to the Convention, your Board is aware of the fact that it is considering one of the gravest problems and dealing with one of the greatest perils confronting Christendom. We are looking at the future church and wondering what will be the effect of this great mass of untaught young people. Over 50 per cent. of our young people out of the Sunday School fifty years ago would not have meant what it does today. Then there was the family prayer and religious teaching in the home. We do not have that now and when we are told that there are 27,000,000 out of our Sunday Schools, 4,500,000 in the States represented in this Convention, it means that there are practically that many without religious instruction. To meet this need and to remedy this condition is the task imposed upon your Board by the Convention, and with limited means and still more limited experience, we have accepted the responsibility and through the hearty co-operation of the brotherhood, we feel that an encouraging beginning has been made in the great work before us.

FIELD SECRETARY ELECTED

Following the recommendation of the last Convention, the Board elected a Field Secretary. Miss Lucy M. Eldredge was called to this position and assumed her duties July 8, 1921. The gratifying results obtained have proven the wisdom of the Board in her selection. The following is a summary of her work for the nine and three-quarter months from July 8th to May 1st:

REPORT OF FIELD SECRETARY

(1) Notes have been furnished weekly for the "Christian Sun."

(2) A bureau of information has been maintained in which 94 inquiries have been answered by mail, 603 personal letters written, and 2,233 circular letters sent out, and 1,862 pieces of printed literature mailed out, in addition to literature distributed in the field on trips.

(3) A tabulation of our Sunday Schools and Christian Endeavor Societies with the names and addresses of the officers and teachers has been made. We find that we have 206 Sunday Schools with a membership of 20,303, which is 74½ per cent. of our church membership. We also have 53 Christian Endeavor Societies with an approximate membership of 1,324.

(4) A Sunday School and Christian Endeavor Convention has been organized in the Georgia and Alabama Conference.

(5) Attended 10 Conferences and Conventions.

(6) Visited 39 churches, 16 Sunday Schools, 7 Christian Endeavor Societies.

(7) Assisted in organizing 11 Christian Endeavor Societies; 2 Sunday Schools, besides various departments in Sunday Schools.

(8) Held 18 institutes and taught in the Seaside Chautauqua a class in Religious Education.

(9) Traveled approximately 6,221 miles, and delivered 74 addresses.

(10) The "Sunday School and Christian Endeavor Hand Book" was issued containing the proceedings and statistics of the various Sunday School and Christian Endeavor Conventions of the S. C. C. and copies were sent to every church in the Convention.

WORK PLANNED

In addition to the regular visitation to conferences, conventions and churches, we have planned the following activities for the coming year:

(1) To stimulate a deeper interest in our Sunday School and Christian Endeavor Conventions. Only 19 Sunday School superintendents out of 206 attended our Conventions last year. It is our purpose to get in personal touch with these workers, through our Field Secretary and endeavor to interest them in the Conventions.

(2) To hold one and two-day institutes on Sunday School and Christian Endeavor work throughout all our conferences.

(3) To hold Daily Vacation Bible Schools in every Conference. Several churches are planning now for this work.

(4) A six weeks contest in attendance, new members, offerings and departmental work between the *North Carolina and Alabama Conferences*, and the *Virginia and Georgia-Alabama Conferences*, the contest to begin May 7th, and close Children's Day, June 11th.

FINANCES

The following funds have been received for the support of the work during the biennium:

REPORT OF COMMITTEE ON RELIGIOUS LITERATURE

Your Committee, knowing something of the powerful influence the reading of literature of any sort has in moulding the character, shaping the beliefs, and determining the conduct of those who read it, would urge our

people to read more religious literature, giving the Bible their greatest attention. We recommend to our people, especially, our religious publications, viz.: "The Christian Sun," "The Herald of Gospel Liberty," "The Christian Missionary," and our Sunday School publications. In order that our people may be better informed along lines of work that make for progress—by learning of the good things our different churches are doing—we urge all our people to subscribe for and read these publications.

We feel that one of the causes of the slow growth of our denomination is the fact that most of our own people as well as outsiders know very little of the history and principles of the Christian denomination. Therefore, we further recommend to our people the series of booklets prepared by Dr. J. F. Burnett; viz.: "The Origin and Principles of the Christians" (Revised edition); and historical and biographical sketches of Rev. James O'Kelly, Rev. Abner Jones, Rev. Barton W. Stone, Rev. Elias Smith and Horace Mann. These booklets cost only the postage required in mailing them; and we feel that our people should avail themselves of this golden opportunity to acquaint themselves more fully with the origin and principles of the church of their choice.

We also feel that if our people are ever to become the missionary people that we should be, we shall have to begin with the children and educate them to the missionary idea, and instill into their hearts a passion for missions. Therefore, we suggest that such books as "Childrens Missionary Stories," by Hugh T. Kerr, and such magazines as "Everyland" be placed in the hands of the children.

In order that more people may be induced to read the right sort of literature and that those who do not feel able to purchase many books or subscribe to many periodicals may enjoy the privilege of good reading matter, we would urge upon our Sunday Schools and churches the necessity of a good library for each church or Sunday School.

MRS. R. P. CRUMPLER,
MRS. A. W. ANDES,
Committee.

REPORT ON MORAL REFORM

In the giving of the Great Commission the mantle of moral and spiritual leadership was laid upon the shoulders of the church. The world is, therefore, looking to the followers of Christ to take the initiative and set the pace for all moral and religious living.

We, therefore, recommend:

1. That the leaders and laymen of our church apply in both public and private life the principles as set forth in the Sermon on the Mount.

2. That we co-operate in every way possible in the matter of destroying all social evils which confront us today, such as illicit distilling, gambling, dancing, card playing, strikes and all forms of mob violence, etc.

3. That we register our most hearty approval of the recent enactment providing for moving picture censorship.

4. That we endorse public amusements only so far as clean, wholesome and elevating.

5. That we abhor the growing tendency on the part of many church people in the desecration of the Sabbath by turning it into a day of pleasure-seeking, and otherwise showing a laxity toward the church.

Then let us pray that as we live and move and have our being in the world we may not simply have the form of Godliness which is external and full of noise, but that we may truly possess the power of Godliness which is internal and full of existence.

W. C. HOOK,
MRS. J. C. HUFFMAN,
Committee.

Report adopted.

REPORT OF COMMITTEE ON FOREIGN MISSIONS

Since the spirit of Christianity and the spirit of Christian missions are inseparable, we cannot consistently call ourselves Christians unless we are

so imbued with the spirit of Christ that we are always anxious to help give the gospel message to others, whether they be our relatives, our neighbors, our fellow-countrymen, or the inhabitants of other continents and of the isles of the sea. Nor can we escape the responsibility of witnessing for Christ whenever we have opportunity and in every way possible to all people everywhere.

We rejoice to see the amount of enthusiasm for Christian Missions that has been manifested in the Virginia Valley Central Conference during the last several years.

We are glad to be able to report that many of our Sunday Schools are contributing one Sunday's offering in each month to the cause of missions; that we have three woman's, and at least one Young People's Missionary Societies; and that an effort is being made to inspire our people with a passion for world evangelization by means of sermons and talks on missions.

We are also grateful for the splendid work done in the interest of foreign missions, during the past conference year, by the Woman's Board of this Conference, which work was as follows: Literature distributed to the organized societies of the Conference to assist them in making out their programs; Missionary Institutes held in the month of May at five churches; money to the amount of \$32 raised by the young people of Winchester; a box containing gifts for the children sent to Miss Williams, in Porto Rico. In addition the sum of \$104.65 has been raised for foreign missions during the past year by our Women's and Young People's Societies.

However, we are not satisfied with our past achievements, or our present enthusiasm, but we urge our people to strive to accomplish much more along the line of foreign missions during the coming conference year. Therefore, we urge that our people organize Women's and Young People's Missionary Societies in every church, where possible, that does not already have such societies; that many more of our Sunday Schools contribute one Sunday's offering in each month to missions; and that our pastors and Sunday School superintendents see to it that some one talks missions to each Sunday School in the Conference at least once a month.

R. P. CRUMPLER,
MRS. BOYD RICHARDS,
Committee.

Report adopted.

REPORT OF COMMITTEE ON EDUCATION

The development and progress of a church depends, in a vital way, upon its educational institutions. It is to them we must look for ministers and our trained lay workers; and if we are to keep our young people interested in our church we must educate them in our own institutions.

Elon College is the best college for the young people of this Conference. It has a high standard of scholarship, a high standard of character, and is reasonable in cost. It should have the loyal support of our people.

This Conference should, in the near future, follow the lead of the Georgia and Alabama Conferences and take steps to establish a Junior College.

Brother Wm. M. Clem, of the Dry Run Church, came before your committee requesting license to preach. We recommend that the request be granted and that he be licensed just before adjourning for the noon hour tomorrow. Brother Clem is a graduate of Elon College, and is preparing to attend Yale University this year.

Rev. D. B. Seal, an ordained minister of the Regular Baptist Church, requested to be admitted into our Conference. Owing to our limited acquaintance with Brother Seal, and his limited education, we recommend

that he be received on probation for a period of six months, during which time he shall be privileged to preach to any of our churches that may call him, and at the end of which time he shall give a detailed report to the Executive Committee of the Conference, who shall have power to continue his probation, abrogate it, or receive Brother Seal into our Conference, either as a licentiate or an ordained minister as they see fit.

W. T. WALTERS,
W. C. HOOK,
R. P. CRUMPLER,
Committee.

Report adopted.

Address, "Some Mistakes or Misconceptions of Education," by Dr. W. A. Harper, President of Elon College.

A letter from Rev. L. R. Townsend was read by the Secretary.

REPORT OF COMMITTEE ON RESOLUTIONS

On account of the many splendid features characterizing the session of Conference at Joppa, we, your committee, feel greatly justified in asking the Conference to express its hearty thanks by a rising vote, for

1. The carefully planned entertainment provided by the good people of Joppa who opened their homes and made us feel their genial hospitality, and supplied us with abundance of good food.

2. The visiting brethren of other conferences, who have, by their presence and addresses, greatly inspired the audience with ideals, new hopes and many visions that will add much to our church in the future.

W. B. BURKE,

REPORT OF COMMITTEE ON SUNDAY SCHOOLS

The Sunday School is an agency of the Church, by which the word of God is taught to children and other learners clustered in groups or classes under separate teachers. We feel that one of the most important officers in the Sunday School is the teacher. Therefore we recommend:

1. That all our schools give attention to the training of teachers, and where and when practicable, to have teacher training classes.

2. That we express our appreciation of the splendid Sunday School Officers and Teachers Journal, issued by the Christian Publishing Association, and urge our people to use it.

3. That we lay upon the hearts of our officers and teachers the importance of more evangelistic effort in the Sunday School. We also want to emphasize the importance of religious education to our young people, and recommend our own college, Elon, to any who expect to enter college.

We are grateful for the increased interest in missions in our Sunday Schools, and recommend the keeping of missions before our pupils. We are glad and thankful for the offerings made by our Sunday Schools for Missions, Orphanage, and Board of Religious Education. May they be increased very much this year. The Sunday School that helps others helps itself.

ROY A. LARRICK,
J. K. EPPARD,
Committee.

Report adopted.

An address was delivered by Rev. J. F. Morgan, using as his subject, "Young People and Life."

Remarks relative to the Chautauqua were made by Dr. W. T. Walters.

SATURDAY—AFTERNOON SESSION

Conference called to order by President at 1:45. Devotional services conducted by Rev. S. L. Baugher.

REPORT OF COMMITTEE ON CHRISTIAN ENDEAVOR

We believe that Christian Endeavor is the greatest young people's movement of the Church. The movement is now a little more than forty-one years old; yet in this short period it has gone to all nations of the world, and has touched in a helpful way the lives of eighteen millions of people. The active membership now is about four millions. The first Christian Endeavor Society outside the Congregational denomination in which it was born, was organized in our Christian Church at Rockland, R. I.

Your committee feels our Church ought to have a large part in this movement, and we recommend: That earnest efforts be put forth in this Conference to strengthen the societies we now have, and to organize as many new societies as possible.

J. F. MORGAN,
E. W. CATHER,
Committee.

Report adopted.

REPORT OF AUDITING COMMITTEE

Having duly examined the Treasurer's report we find it correct subject to such change as may be necessary later.

W. M. CLEM,
E. L. ALGER,
Committee.

Report adopted.

Moved and carried that a report of the work done by the Woman's Mission Board be incorporated in the minutes of conference. The following was furnished the Secretary: The Woman's Board reports three Woman's Societies, and six Young People's Societies. We have raised \$322.57, not half our goal, which was \$750. Our goal for the ensuing year is the same as last year.

REPORT OF COMMITTEE ON HOME MISSIONS

We, your committee, submit the following recommendations:

1. That the sum of \$200 be appropriated to the Page Valley pastorate, and \$200 to the Rockingham pastorate, and that \$100 be paid to Rev. A. W. Andes for his work in the field; and that \$10 be paid to Rev. W. M. Clem for services rendered at Beulah Church. The above appropriations for the coming year are to be paid quarterly. Any remaining Home Mission funds to be distributed by the Executive and Home Mission Committees as may be necessary.
2. That the Mission Board of the Southern Christian Convention be asked to assist in paying the pastor's salary at Winchester.
3. That we appeal to the Executive Committee and Home Mission Board of the Southern Christian Convention to aid in securing pastors for our pastorless churches.
4. That the sum of \$200 be paid to Dry Run Church, and that an additional \$200 be paid as soon as the funds are available.

SAMUEL EARMAN,

REPORT OF WOMAN'S BOARD

The efforts of this Board have not met with the heartiest co-operation during this year. However, we have organized and caused to be organized six societies, these societies have a membership of 75.

We recommend:

1. That the Pastors of this conference be asked to give more thought and effort to the Woman's Missionary Societies of the conference.

2. That every Church be urged to organize a society this year.
3. That each society endeavor to increase its membership by at least 10 per cent. this year.
4. That each society in this conference be urged to take a membership in the Christian Missionary Association of this conference.
5. That the funds raised by these societies be divided equally between Home and Foreign Missions.
6. That each society study Home and Foreign Missions in a systematic way, viz.: by using the mission study books as adopted by the Convention.

MRS. R. F. BROWN.

REPORT OF EXECUTIVE COMMITTEE

The Executive Committee of the Georgia and Alabama Conference submit the following:

1. On May 18th, 1922, this committee arranged for Mrs. B. F. Young, wife of the late Rev. B. F. Young, to become a beneficiary of the superannuated fund.

2. On April 20th, 1922, we ordered the Treasurer of this Conference to write a check for \$36.00 to help defray the expenses of the delegates of this Conference to the Southern Christian Convention.

3. On August 8th, 1922, we changed the date of the meeting of this conference. The conference was called to meet October 3rd instead of October 17th to avoid a conflict with the American Christian Convention.

REPORT ON RELIGIOUS LITERATURE

Since the Devil is using every means to draw the human mind away from God, it is necessary: First, to read God's Word with the Holy Spirit,

and be careful as to what other literature is read in the homes, for there is so much literature being put out under the head of religion.

We should read our own paper, "THE CHRISTIAN SUN" and HERALD OF GOSPEL LIBERTY, and use all together literature published by our own Church Publishers.

REPORT ON MORAL REFORM

As we have in LaGrange, and presume most all Towns, Sunday desecration, we feel we should endeavor to remedy as much as possible, and the only remedy as we see it will be through prayer, and use every available means to see that the laws of our Cities and Land are enforced.

If all the good people would diligently work together along these lines, we would have better towns to live in, and our children would have more safety, and then have safety first everywhere, and warn people of the great danger that is before them, warning them in our services and by our Godly lives.

We commend that we as a Church, and as a Conference, express our condemnation against every immoral agency of whatever nature, kind or type, and especially Sabbath desecration and drunkenness.

 T. W. GRAY

HOME MISSION REPORT

The greatest task of the Church is to give the Gospel to mankind. Our home work must grow if we are to enlarge our foreign work. The home work must enlarge its territory if we are ever able to do our whole duty for the perishing millions abroad.

The Georgia and Alabama Conference is the result of home missions to a large extent, in fact every Church but one has received aid from the Home Mission Funds. We have just begun to work the home field, a large stupendous task is ahead of us. We have two great needs, and must have them if we ever accomplish what we should. The first need is men—men spiritually electrified with God's love, and educationally prepared to cope with the conditions that prevail.

Our next need is money. As the work develops avenues for finance will increase. If we get hold of men right, we will get hold of their money.

During the year we have helped the East LaGrange Church to the amount of \$150.00, and Rose Hill Church, Columbus, Ga., \$25.00. We are planning to build a brick Church at Richland, Ga., and they are asking that we help them as much as \$250.00, which our committee has endorsed.

We would make the following recommendation, that we raise the same amount for Conference Home Missions, that we are assessed last year.

That we raise also the same amount for convention missions as assessed last year.

That we heartily endorse and use every means available and our best efforts to collect our 'Men and Millions' pledges.

That we encourage as far as possible the organization of and building of new Churches.

Respectfully submitted,

H. W. ELDER,
T. J. HOLLAND,
D. S. HOGG.

REPORT ON SUNDAY SCHOOLS

Our first session of the Sunday School Convention, held in April, was well attended, and enthusiastic. Our new Field Secretary, Miss Lucy Eldrege working under the supervision of the Board of Religious Education, of the Southern Christian Convention, was present, and her message's were well received. We feel that the opening of this Department of our work is a step in the right direction, and should receive our hearty support and the Secretary should have the co-operation of all our schools and Endeavor societies.

We cannot emphasize too strongly the importance of the education of our young people along religious lines, and the discovery of and training of young life for Christian service and leadership.

We urge the importance of keeping the missionary message an incentive prominent in seeking to carry out Sunday School plans and methods.

(Signed) W. W. WILLINGHAM, *Chairman*.

REPORT ON RESOLUTIONS

We, your Committee on Resolutions, submit the following report:

Resolved, That we express our thanks to the Pastor and members of East LaGrange Church, by a rising vote for caring so generously for our comforts during our stay in their midst.

That all reports to Conference be written by the respective Chairman before the Conference convenes, so that they may be ready for presentation at the proper time, and in order.

(Signed) H. M. GRAY, *Chairman*.

Resolution—

In the all-wise providence of a loving Heavenly Father our esteemed and faithful Secretary, Brother J. F. Hill, was called to his reward. Brother Hill was Secretary for about 30 years and he always attended and carried his family with him. He was faithful in the discharge of his duties and was loved by a large number of the best people among us.

Resolved, That we bow in humble submission to our Heavenly Father's will. That we pray God's blessings upon his faithful wife and children.

That a copy of this resolution be spread upon our minutes, and a copy be sent to his family.

(Signed) H. W. ELDER,

REPORT ON FOREIGN MISSIONS

The supreme purpose of the Church may be summed up in the one word—Missions. You cannot be loyal to Christ and not be missionary. Our people

are waking up to the need of missions. Though the number is small when it comes to those who obey the Spirit's call for missions we recommend that our people cultivate the missionary spirit more in the future than in the past. That we raise the same for Foreign Missions as last year.

H. M. GRAY,
P. L. DUKE,
C. W. HANSON.

REPORT ON PLACE OF MEETING

We, your Committee, wish to report the following:

We recommend Vanceville as the place of meeting of the next annual session of Conference.

C. E. SHORT,
P. L. DUKE.

Whereas, There is an unlimited field in this Conference for missionary work, and

Whereas, This Conference needs a Conference Secretary to devote his time to missionary and evangelistic work:

Therefore, Be It Resolved, That this Conference in session assembled, employ a Conference Secretary for half time. He will give his time to missionary and evangelistic work.

REPORT OF COMMITTEE ON EDUCATION

We wish to register our faith in Christian education. This is a force that will enable people to build up to the level of their opportunity. We live in the midst of rivalries. We move in a circle of contention. We march against stern opposition. We are diverted by the conflicting claims of life. Organized agencies have turned civilization into a daily struggle. Deceitful action has disrupted the faith of many people. The world will gain its equilibrium by the right kind of education.

We rejoice in the hope that Bethlehem College, Wadley, Ala., is to open in September, 1923. This College will supply a long felt need in these conferences. For many years we have prayed for this College, and through our work and faith we are making it possible for God to answer our prayers. We urge the Churches and people of this conference to give complete co-operation and hearty support to this the greatest undertaking of the Christian Church in the far South.

We would also urge the parents in this conference to send their sons and daughters to this College as soon as they are ready to enter College. The College must depend largely on the constituency of the Christian Church for its patronage.

We would call the attention of this conference to the Chautauqua and School of Methods which will be held annually at Elon College, N. C. It would be a fine thing if each Church would send at least one representative to this Chautauqua. Through this agency great needs can be supplied for Christian work. Rev. W. W. Willingham has supplied the pulpit of the North Highlands Church once a month this year. His service has been appreciated by the people. We recommend that he be continued as a Licentiate for another year.

We recommend that C. L. Reese and Ellis Easterwood be continued as Licentiates for another year.

We recommend the Licensure of Argus C. Huckaby, William H. Brewer, Leon E. Oliver, Shafford, D. Langford, R. A. Whitten and W. T. Crowder.

We recommend that A. S. McDowell be dropped from the roll of Licentiates. That we raise \$150.00 this year for Ministerial education.

We recommend that our young men entering the Ministry prepare to enter Bethlehem College when it opens in September, 1923.

We recommend that Rev. B. A. Dees an ordained Minister who comes from the Baptist Church to our Church be given credentials for one year by this conference.

We recommend Elon College to all of our boys and girls who desire that higher training received in a standard college.

R. F. BROWN,
H. M. GRAY
H. W. ELDER.

RESOLUTION

Whereas, the Churches of this Conference have made, through their individual members, very liberal pledges to our "Men and Millions" movement, and whereas, these written pledges constitute a moral obligation as important to promptly meet them, and whereas, the future progress of our Church, and all our enterprises very largely depends upon how we meet and pay these obligations.

Be It Resolved: First, That our Pastors will, by public announcement and appeal, keep this important matter before our Congregations and will see to it that there is a Captain in each of our Churches who will look after the collections, and send them in as paid to Superintendent C. D. Johnston, Elon College, N. C.

That as individuals we will consider our pledges as our solemn moral obligations and will endeavor to meet them as such, and pay them as they come due, as far as we have the power to do so.

We heartily endorse and ratify the action of the last Southern Convention in making our Mission Board a permanent Board, to collect "Men and Million" pledges and carry on the work contemplated in the movement, and that we will lend our assistance and hearty co-operation in every way possible to the Mission Board in carrying on this great work.

Adopted.

G. D. HUNT.

FIRST DAY—AFTERNOON

REPORT ON CHRISTIAN ENDEAVOR

We are glad to report an advance in Christian Endeavor. Our people are beginning to realize the worth of this great institution. Last Conference we were able to report only one society within Conference. Today we are glad to report six societies.

We recommend:

First—We place as our goal for next year's work a live Christian Endeavor Society in each of our churches.

Second—That our societies affiliate with Christian Endeavor Union.

J. H. HUGHES.

Adopted.

The church and ministerial reports were read.

The Petitionary Letter of Bryan's Chapel was read, and, on motion, the church was received into conference.

REPORT ON MORAL REFORM

Whether the world is getting better or worse may be a debatable question with some, but that a few national sins are becoming more prominent every year is the belief of your committee. That the sins mentioned below are such as to call forth the prayers and faithful efforts on the part of the church to bring about a needed reform we think no Christian could deny.

First—There is the great and growing sin of the Sabbath desecration. Various kinds of industry and amusements pay no attention to the Holy Sabbath, except, if possible, to increase their activities on that day.

Second—The popularizing of the modern dance, and the defence given the same by so-called Christians is a great evil, and a matter for serious regret.

Third—That we remember the Sabbath day to keep it holy.

Fourth—That our motto be: "Every church a prayer meeting and every home an altar."

Fifth—That we take a firm stand against all social evils such as intemperance, gambling, card playing in the home and immoral amusements.

Sixth—The use of tobacco, and especially cigarettes, by men, and even by some women, and especially by the young, is an evil threatening the physical welfare of the nation.

To combat with these evils, the following remedies are urged:

That we live close to the Lord in the prayer life.

That we make daily use of the Bible in our devotions, and practice its teachings.

J. M. WELCH,
J. F. BEAIRD,
W. T. MEACHAM.

Adopted.

Cragford was the place selected to hold the next session of Conference.

By motion, the following resolution was enthusiastically adopted:

That the Mission Board work in conjunction with the S. C. C. Board in collecting the pledges of the Men and Millions Forward Movement, using such means as may be necessary.

C. W. CARTER.

By motion, Rev J. O. Atkinson, D. D., was asked to preach tomorrow at 11 o'clock.

By motion, the Executive Committee was authorized to have the Minutes published.

The President appointed the following as Committee on Nominations: Rev. J. H. Hughes, J. T. Gibson, J. W. Payne.

By motion, Conference adjourned until tomorrow morning at 8:30 o'clock.

SECOND DAY—MORNING

OCTOBER 11, 1922.

Conference met at 8:30 and was called to order by the President. Devotional services were conducted by Rev. G. H. Veazey. Minutes of yesterday's session were read and approved.

REPORT ON RELIGIOUS LITERATURE

It is a sad mistake in any church to fail to support its publishing interest, since it is of vital importance to any church and next in importance to that of preaching the gospel, to the growth and development of the church. The means of spreading the truth to all parts of the world.

We urge a careful reading of the Bible, since it is our rule of faith and practice, and that we co-operate with the publisher of *The Christian Sun* in his effort to increase the circulation of the paper, and that we should read the Herald of Gospel Liberty and other literature published by us as a church.

That November be designated Christian Sun subscription month and that during that time every pastor put on a campaign in each of his churches to increase the number of the *Christian Sun* subscribers in his membership.

C. W. CARTER.

Adopted.

REPORT ON SUNDAY SCHOOLS

Your Board has done but little active work this year. We were called to meet at Rock Stand on April the 29th, but failed to meet. By correspondence we decided—with the help of the Committee on Christian Endeavor—that we would hold a Sunday School Christian Endeavor Convention at Noon Day, June 28-29, which we did with a good degree of success. The Convention was well attended and quite a good interest manifested.

We believe that efficient leadership is the greatest need of our Sunday schools today.

We, therefore, recommend:

That our pastors be more active in instructing their Sunday School workers.

That each school organize and maintain a Teacher Training Class.

That each school do more and better departmental work.

That each school give an offering each month to the Christian Orphanage and one to Missions.

J. W. PAYNE,
G. H. VEAZEY,
J. J. CARTER.

Adopted.

REPORT OF HOME MISSION BOARD

This has been the most pleasant, as well as the most profitable year of our existence as a board.

Our work in North Alabama is in fine condition just now. We have two churches in Culman County; one of which has been organized this year and prospects good for others in the near future.

These churches have been supplied by Revs. W. T. Meacham and W. C. Carpenter.

We have one church in Jackson County, which is being supplied by Rev. J. W. Elder as pastor, and good prospect for others to be organized soon.

Our Southern Convention Board has agreed to aid in work provided our Board will co-operate with them in the disbursement of the funds. We suggest that our Conference Board accede to this request.

We recommend that the matter of support for the work be left in the hands of our Conference Board.

We recommend that our women be asked to care for the Pisgah work through their Conference Missionary Societies.

We recommend that the Executive Committee be empowered to employ a Conference Missionary looking to the enlargement of our work, provided a suitable man can be found. That he be required to hold evangelistic meetings whenever and wherever the demand may arise.

We recommend that our Conference raise next year for Home Missions \$250.00, and for Convention Missions \$150.00.

G. D. HUNT, *Chairman*.

Adopted.

By motion, Rev. C. Orea, Rev. G. E. Wallace, Rev. L. E. Hall, of the M. E. Church, South, were invited to seats as fraternal delegates.

REPORT ON FOREIGN MISSIONS

In this critical time of financial depression we should not flinch from our duty, but strive the more that the Gospel may reach every clime and nation.

God had only one Son and He was the greatest missionary that the world has ever known. The great command of the Son of God was, "Go ye into all the world and preach the Gospel to every creature."

May we as a Church catch the world-wide vision and give of our money for foreign missions that the Gospel may reach the end of the earth, and then He said, "Lo, I am with you always even unto the end of the world."

We, therefore, recommend:

First—That the churches of this Conference organize mission study classes and use a mission study book recommended by the General Board.

Second—That missions be taught in our Sunday schools.

Third—That the people of this Conference make a special effort to pay their pledges to the Men and Millions Movement.

Fourth—That we raise \$150.00 for missions this Conference year.

A. H. SHEPPARD.

Adopted.

Dr. J. O. Atkinson delivered the message of the morning to the delight of all.

The President appointed the following as *Ordaining Presbytery*: Rev. C. W. Carter, Rev. R. F. Brown, Rev. J. H. Hughes.

By motion, Conference adjourned for dinner.

SECOND DAY—AFTERNOON SESSION

The Conference was called to order at 1:30 by Rev. J. D. Dollar, Vice-President. Prayer by Rev. J. H. Hughes.

REPORT ON SUPERANNUATION

That the present system of handling this matter is far better than the old we are thoroughly convinced.

The superannuate ministers are receiving more liberally to their support. This being one of the departments of our work strengthened by the Men and Millions Forward Movement.

We, therefore, would urge the support of the movement and an assessment of \$100.00 for this purpose.

We recommend Brethren C. M. Dallor and W. R. Knight to the A. C. C. Board on Superannuation as beneficiaries.

E. M. CARTER,
J. H. HUGHES,
C. W. CARTER.

Adopted.

The Conference gave way for a short session of the Missionary Association.

The Conference reconvened.

REPORT ON EDUCATION

From time to time forward movements have been introduced into our work which have had very great effect. Thirty-two years ago Elon College was opened. Though as we thought then was too far away, but today it is very close. We are feeling the effects of what it is doing. It is our college. Surely its influence is just now beginning, and we are glad to recommend the work of this institution.

At a more recent date came the Men and Millions Forward Movement. We cannot yet realize what it may do in adding strength to the Church. But one of the many departments strengthened is that of Religious Education. Bethlehem College, a direct result and whose purpose is to champion the cause of religious education, is the dawn of a better day.

We would recommend:

First—That our people do all in their power to make the Forward Movement a success, thereby making stronger this one department of our work.

Second—That we continue the license of Brethren B. L. Smith, M. A. Pollard and Jessie Dollar.

Third—That our young ministers give a diligent study of the literature and principles of our church.

Fourth—That we ordain Brethren W. C. Carpenter and J. E. Amerson to the full work of the Gospel Ministry.

That the credentials of Rev. J. T. Emery, who comes to us from the Congregational Methodist Church, be endorsed.

E. M. CARTER.

Adopted.

The President announced the Standing Committees as follows:

Executive—G. D. Hunt, J. D. Dollar, W. T. Meacham.

Education—E. M. Carter, J. H. Hughes, A. H. Sheppard.

Religious Literature—C. W. Carter, J. F. Beaird, M. A. Pollard.

Moral Reform—J. D. Dollar, W. B. Knowles, W. C. Carpenter.

Foreign Mission—G. H. Veazey, S. R. Waldrop, R. M. Brown.

Reading Ministerial Reports.

Miss Olive G. Williams, Missionary to Porto Rico, spoke concerning the work in that field.

A petition properly drawn, according to the Government of the Christian Church, was presented from the Elm Avenue Christian Church, Portsmouth, asking for admission into the Conference. On motion the church was admitted to membership, and the delegates were enrolled.

Report on Christian Endeavor prepared by J. O. Wiggs, and read by Rev. E. B. Flory, was adopted as follows:

REPORT OF COMMITTEE ON THE CHRISTIAN ENDEAVOR

To the Eastern Virginia Christian Conference—GREETING:

In our eagerness to establish and maintain equal rights, I fear that we have failed to discern between equal rights and equal ability. Every one should have equal right to achieve success in any undertaking, but that there are wide differences in ability cannot be denied. Some have more natural ability than others, but the vast majority is acquired by strenuous effort. Acquired ability is always along special lines of endeavor. God in His infinite wisdom never intended that any one person should acquire all the ability nor ability in all things; but a task for everyone, and each one for a single task. If Christianity is to take its proper place in our Church life we must recognize this fundamental principle. No one man can be a specialist along all lines but each one has a particular task and where effort is divided, ability to properly perform that task is reduced. In business life a man is employed for his special fitness and adaptation to the task, while frequently in Church work, as also in governmental work in our great Democracy selection is not made according to the special fitness but too often in an attempt at recognition of some friendly interest or special work performed; at other times because of lack of thought of the importance of the task, someone is selected without regard to their ability merely to fill in and make a misfit. I sometimes think we had better let the task go unperformed than to attempt to job with a bungling effort.

Our Christian Church not only has a task to perform but it has many tasks and as the work increases the diversity of tasks will also increase and in attempting to perform these tasks we owe it to the cause of Christ to select for the service the most capable person available, otherwise it may be better that the task be not undertaken.

Christian Endeavor is just one branch of our great Church organization, filling a particular and evergrowing need in training our young people for service. It is unfair to our young people, to ourselves and to the cause we represent to attempt to lead them with anyone less capable than our very best and when possible one especially trained for that service. We have recommended for adoption by our local churches Christian Endeavor Societies, but have never fully recognized them as a part of our organization in that we have not provided the proper co-operation and support. True, they are invited to report to our Sunday School Convention but Christian Endeavor is not a part of the Sunday School, though our Sunday Schools may eventually be enlarged into Church Schools embracing all lines of endeavor for the education of our people in the Christian graces. This failure of recognition of Christian Endeavor has caused many of the Societies to fail to report, failing to recognize the importance, or failing to recognize in us a sincere desire for their organization.

I believe that the Christian Endeavor is one of the very important branches of our organization, but at the same time, I have devoted my entire life to services in the Sunday School and at that I cannot give it justice and, to attempt to lead Christian Endeavor would necessitate diminution of my efforts along Sunday School lines and even then I could not do justice to Christian Endeavor. I believe that we ought to have as Chairman of the Christian Endeavor Committee of our Conference the most capable Christian Endeavor worker available, who can devote his entire attention to that work. The problem is one for careful thought and wise leadership to the end that its fullest possibilities may be developed. I, therefore, recommend that our incoming President seek from among our membership the most capable Christian Endeavor worker for the appointment as Chairman of this Committee and believe that ere next Conference convenes this work will be stimulated and we will have a report worthy of our consideration.

Respectfully submitted,

J. O. WIGGS, *Chairman.*

It was moved and carried that a Committee be appointed to make such changes in the Ministerial and Church Report blanks, as may be deemed best suited for the work of this Conference, and submit to the S. C. C. Committee on Revision of Blanks.

Report of Committee on Entertainment.

Conference adjourned till evening session.

TUESDAY—EVENING SESSION

Services held in the Methodist Church at Sedley. Song service conducted at 7:30 o'clock by Rev. O. D. Poythress. Preaching by Rev. I. W. Johnson, D.D. *Subject*—"Building the Church." Communion service conducted by Dr. W. W. Staley and Dr. J. P. Barrett.

SECOND DAY—FORENOON SESSION

Wednesday, November 1, 1922.

Conference met and called to order at 9:30 o'clock. Devotional service conducted by Rev. B. J. Earp. Minutes read and approved. Roll call. President appointed Revs. R. C. Helfenstein, L. E. Smith and J. L. Foster a Committee to submit revised form for Reports to Conference.

It was moved and carried that the Conference Sunday School and Christian Endeavor work be organized to conform to the Southern Christian Convention plans.

Report on Home Missions read by Col. J. E. West and adopted as follows:

REPORT ON HOME MISSIONS

The object of the Church being to save souls, we heartily endorse the action of the Southern Christian Convention in setting a minimum standard of ten per cent increase in membership per annum, and

We recommend as an evangelist, Rev. George D. Eastes, Norfolk, Va.

We recommend the employment of a Conference Missionary as early as practicable and suggest to the Mission Board of the Southern Christian Convention the advisability of paying his salary for the present.

We urge the prompt payment of subscriptions to the Men and Millions Movement and to the Special Mission Fund.

We renew our endorsement of the pastorate system and urge the building of parsonages by churches and pastorates.

As to appropriations, we recommend the following:

First, Portsmouth, on Church debt.....	\$ 500.00
Christian Temple, Building Fund	1,000.00
Ivor Pastorate, Salary	300.00
	\$1,800.00

We congratulate the Southern Christian Convention and the Eastern Virginia Conference on their contributions for 1921 as indicated by statistics compiled by the chairman of this committee and included in this report.

The Southern Christian Convention with a membership of 28,251, contributed for all benevolences \$146,401.42, and for all other purposes, \$199,-

531.68. Grand total, \$345,933.11. Per capita for benevolences, \$5.18; for all purposes, \$12.24.

Considering our various methods of collecting funds, which causes a certain amount of overlapping, these figures are considered conservative.

Of the statistics used where contributions were accurate as to conferences, the Eastern Virginia Conference contributed 47 per cent. of conference assessments; 50 per cent. of all other purposes by churches, Sunday Schools and Christian Endeavor Societies; 62 per cent. of the Woman's Board, and 72 per cent. of Men and Millions. Therefore, the 50 per cent. estimate used in the last three items of the following report are very conservative.

Eastern Virginia Conference with a membership of 8,299, contributed the following for benevolences:

Conference assessments	\$ 7,600.40	
Christian Missionary Association	2,080.00	
S. S. Convention for Missions	387.74	
Suffolk C. E. for missions direct.....	250.00	
Woman's Board	5,650.85	
Men and Millions	26,653.27	
Estimated on 50 per cent. basis.		
Orphanage	13,587.99	
Elon College Standardization	16,896.42	
Mission Board of S. C. C.	9,388.22	
Total		\$82,494.89
For all other purposes:		
Sunday Schools and C. E. Societies.....	\$ 7,248.87	
Churches	92,222.35	
Total		99,471.22
Grand total		\$181,966.11

Per capita for benevolences, \$9.94; for all purposes, \$21.92.

In order to obtain accurate statistics, we recommend the appointment of committee of three on church letter, of which the Secretary of the Conference shall be a member, to formulate a church letter for this Conference and recommend same to the Southern Christian Convention.

We further recommend that Elon College, the Mission Board, Orphanage, and other institutions be requested to keep an account by churches, if practicable, and certainly by conferences, of all contributions not sent through regular conference channels.

Respectfully submitted,

J. E. WEST,
L. R. JONES,
H. H. BUTLER,
J. T. RAWLES,
Committee.

Address by Dr. J. O. Atkinson, Mission Secretary. *Subject, "The Church a Revelation."*

Report of Committee on Education read by Dr. W. W. Staley, Chairman, and adopted as follows:

REPORT OF THE COMMITTEE ON EDUCATION

The most distinguishing feature of modern education is its wider distribution. This alone characterizes it as democratic, not only in education itself, but in its far-reaching results upon nations. In fact, interchange of ideas and exchange of products, make the progress of which men boast.

The wider distribution of material products by land and sea creates business and increases intelligence. Education in this age is on the same world-wide scale.

The constitutional prohibition of the saloon, woman's suffrage, and the multiplication of improved public schools and good roads, indicate a trend toward better conditions for mankind. "Selective education" as advocated by President Ernest M. Hopkins, of Dartmouth College, will die in its infancy, or be a cripple from infantile paralysis. Seven-eighths of the public school teachers are women, and that means a fatal blow to aristocracy in education. Woman has been too recently emancipated from old exclusive conditions to teach anything that smacks of aristocracy. Democracy, in this large sense, is destined to rule the world. Oriental troubles may hasten that reign.

In the midst of such conditions, what is the function of the Christian college? To teach "In Essentials unity; in non-Essentials Liberty; in all things Charity." Aristocracy in religions is doomed, because it is as fatal in religion as it is in education or government. Jesus did not come to call the "righteous," but the "sinner." Character is fundamental, and Elon College stands for "Character first and always." There is no patent on character and no preference in its opportunity. As the Bible puts it, "High and low, rich and poor *together*." Antecedents sound well in family history, but subsequents determine achievements and history yet to be written. Character is regnant in human life and service determines success. The Christian college must train laymen and ministers into loyal life, and skilled workmen. The body, mind, and heart must be developed in the direction of life-service for God and humanity. That Elon College may do her part in this great work, the church people must send their boys and girls to their own college.

Rev. Dennis F. Parsons continues his studies in the University of Chicago, but has reported no plans for the future.

Harrold C. Hainer continues in Elon College and is making good progress. This committee granted him \$50.00 in May of this year, in addition to the \$150.00 granted him by the last Conference, making the total \$200.00.

Rev. J. B. Chadwick has been preaching for Wyoming and St. Paul, churches in Delaware, and reports that his work is satisfactory.

J. T. Harrod was granted \$225.00 for his expenses in Elon College last year; but he has decided to serve Damascus Church in Gates County the coming year, and desires license.

In December, 1921, our Committee recommended the licensure of J. N. Cutchin, of Rosemont Church; the Executive Committee approved the recommendation, and he was duly licensed under the direction of President W. M. Jay.

Rev. Elisha Bradshaw, who was licensed last year by the North Carolina Conference, and who was serving Elm Avenue Church in Portsmouth, received appointment to the Mountain work. It seemed to be necessary for him to be ordained before entering upon that field, and our Committee recommended his ordination. The Executive Committee approved, and he was duly ordained by President W. M. Jay, D. D., C. H. Rowland, D. D., and Rev. J. H. Lightbourne, at Holland, October 9, 1922.

The Committee had correspondence and personal interviews with Rev. S. S. Myrick, of Newsom, Va., about his transfer from the Methodist Church to the Christian Church, but nothing definite or final was reached.

We recommend:

1. That \$200.00 be loaned to Harrold C. Hainer, provided he needs it, for expenses in Elon College this scholastic year.
2. Upon the recommendation of South Norfolk Church we recommend that J. T. Harrod be licensed during this session of conference.
3. Upon the recommendation of Christian Temple, we recommend the

licensure of T. F. Wright, assistant to Rev. L. E. Smith, D. D., pastor of that church.

4. We recommend that Rev. B. J. Earp, pastor of East End Christian Church, Newport News, be received into the Eastern Virginia Christian Conference upon the certificate of the Executive Committee of the Virginia Valley Central Conference.

5. We recommend that the credentials of Rev. Hermon C. Taylor, of the Methodist Episcopal Church, be recognized by this Conference, and that this Conference issue license in place of his credentials from the Methodist Church.

6. We recommend the recognition of the ordination credentials of Rev. A. R. Flowers of the Western Conference, of the Original Free Will Baptist Church in North Carolina, and that ordination papers be issued to him by this Conference.

7. We recommend that William Davidson Parry be received into this Conference and ordained at this session of Conference.

8. We recommend that Rev. Edwin B. Flory, of the New York Eastern Christian Conference, be received as an elder into the Eastern Virginia Christian Conference.

9. We recommend that Rev. W. L. Wells be received as an elder into this Conference upon his credentials from the North Carolina Christian Conference.

10. We recommend that the transfer of Rev. T. E. White to this Conference from the North Carolina Christian Conference be approved upon the presentation of his credentials to the Executive Committee of this Conference.

11. We recommend that T. F. Wright and J. T. Harrod be licensed at this session of Conference by the President, Dr. W. M. Jay, and that William Davidson Parry be ordained by the following Presbytery: Revs. Drs. W. M. Jay, C. H. Rowland and R. C. Helfenstein.

WEDNESDAY—AFTERNOON SESSION

Conference met and called to order at 2 o'clock. Devotional service conducted by Rev. W. L. Wells, Portsmouth, Va.

Report of Sunday Schools was read by Dr. L. E. Smith, Chairman, and adopted as follows:

REPORT ON SUNDAY SCHOOLS

The Sunday School work of our Conference is carried on through their own organization—the Sunday School and Christian Endeavor Convention of the Eastern Virginia Christian Conference.

The last session of this Convention held in July with the church at Berea, Norfolk County, Va., was inspirational and indicative of progress in all departments.

The following resolutions are submitted:

1. That the Secretary of the Sunday School and Christian Endeavor Convention of the Eastern Virginia Christian Conference be constituted the official statistician of the Conference for Sunday Schools, whose business it shall be to harmonize the annual reports of our schools to the Conference and Sunday School Association, and that the report as per enrollment to Conference shall be practically the same made to the Sunday School Association.

2. That we most heartily endorse the work done by Miss Lucy Eldredge, Field Secretary for the Sunday School for the Southern Christian Convention, and that this Conference authorize the Sunday School and Christian Endeavor Convention to amend its constitution so as to turn a larger per cent of its funds into the treasury of the Board of Religious Education.

3. That we request the Secretary of this Conference and the Recording Secretary of the Sunday School Convention to foot all tables presented for publication, including finances and membership, with totals so that our hand-books shall be more easy and of workable use.

4. That we ask the President of the Sunday School and Christian Endeavor Convention to enter upon an energetic campaign, through the Convention, to make the enrollment of the Sunday Schools equal to the Church membership of the Conference.

L. E. SMITH.

The Claims of the Christian Missionary Association were presented by Rev. O. D. Poythress, President, and several new memberships were enrolled.

Report on Religious Literature was presented, and adopted as follows:

REPORT OF COMMITTEE ON RELIGIOUS LITERATURE

The principles of the Christian Church are Bible principles, the Bible is the greatest of all religious literature; we, therefore, urge upon our people a more careful and prayerful reading and study of the Scriptures.

We urge upon our people a more loyal support of our own Christian Sun, feeling that it is needed both for nurture and news.

We also recommend the Herald of Gospel Liberty, our National weekly and the oldest religious paper published.

We recommend the Christian Missionary, the publication of our Mission Board, Dr. W. P. Minton, editor.

We recommend religious books to our people and urge an interest in works that treat the great political and economical questions of our day from the Christian viewpoint.

We recommend that our people use discretion in the choice of books and periodicals for their homes. This is a very vital matter and one in which there is too frequently no concern manifested at all.

JAMES H. LIGHTBOURNE.

Address, "The Influence of the Church Paper in the Home and Church," by Dr. J. P. Barrett, Editor of THE CHRISTIAN SUN.

It was moved and carried that the Churches be requested to use the pamphlet, "A Picture, a Purpose, a Program," by Dr. J. O. Atkinson, in a responsive reading on the First Sunday in December.

The Ordination of Dr. W. D. Parry was made a Special order for Thursday morning session.

WEDNESDAY—EVENING SESSION

After a splendid dinner and a season of delightful fellowship in the basement of the Friends' Church, Sedley, Va., the Conference met in the church auditorium at 7:30 o'clock. Song service conducted by Rev. O. D. Poythress. Address by Miss Lucy Eldredge. Address by Dr. W. D. Parry. Sermon, "Enjoying the Bible," by Rev. E. B. Flory, Norfolk, Va.

THIRD DAY—FORENOON SESSION

Thursday, November 2, 1922.

Conference met at 9:30 o'clock. Devotional service conducted by Rev. Elisha Bradshaw.

Minutes of yesterday read and approved.

It was moved and carried that Rev. E. B. Flory be requested to furnish the sermon delivered last evening, for publication in THE CHRISTIAN SUN.

Report of Committee on Moral Reform was read by Rev. W. B. Fuller, and adopted as follows:

REPORT ON MORAL REFORM

Your Committee on Morals presents the following for your consideration:

Through our country there seems to be a lack of appreciation and reverence for the Sabbath day. Instead of making it a day of rest and worship, many make it a day of amusement and pleasure.

We have good state and national laws, but in places they are not always enforced or respected. There is not enough Bible reading and prayer connected with our home life.

Our young people need to be provided with innocent amusement and recreation at home and church, and encouraged to stay there, rather than go to the world for sinful pleasure. Therefore, we recommend:

I. That the Christian Sabbath be observed as a day for ministering Christian service, worship and devotion to God.

II. That we take our stand against gambling, games of chance, modern dancing, and all other features of worldly conduct condemned by the Bible, and not in harmony with the Spirit of Jesus Christ.

III. That as far as possible we provide playgrounds, amusements, good books, pictures and music for the entertainment of our young, both discouraging and condemning vaudevilles, and movies, unless such programs are educational and wholesome in their composition.

IV. That parents be urged, for the sake of their children, to read the Bible and pray daily with their children in the home, thus making a definite devotional atmosphere, such as will be life-lasting.

V. That we endorse the system of education adopted by the State Board of Virginia, allowing courses in Bible, or Religious Education, to be substituted for high school work, and urge our young people to avail themselves of this opportunity.

VI. (a) That we deplore the present laxity in regard to law, and law enforcement. He who obeys only such laws as please himself is an anarchist in spirit, and the greatest tragedy which could come to our beloved land would be to leave unchecked the present serious outbreak of lawlessness. So we urge our people, as individuals and churches, to obey the laws of our country, and aid in every possible way in securing their enforcement, and teach our children a just respect for the law in the home, the school and the church.

(b) Knowing, as we do, that the forces of evil are ever active, we insist that an intensive campaign of *Education* continue to be carried on among our children and young people, against the evils of the liquor traffic. The propaganda of the "wets" is everywhere, while we have been inclined to rest upon our oars. Let us beware lest we become defeated through negligence, remembering that no law is ever fully obeyed except through the intelligent co-operation of the people; therefore let us educate! *Educate!* EDUCATE!

VII. That a copy of this report be mailed to each local church, by the Secretary, or a special committee, for that purpose, with instruction that it be read and discussed in the local church.

W. B. FULLER, *Committee.*

Address by Dr. J. P. Barrett.

Report of the Woman's Board was read by Mrs. C. H. Rowland, and adopted as follows:

REPORT OF WOMAN'S MISSION BOARD

The Bible is our best mission study book. It is interspersed with the spirit of missions from cover to cover. We hold that the Christian does not enter into missionary interest and activity, because it is commanded in the Bible, but because the spirit of Christ impels him in his heart. He only looks to the Bible for his direction and inspiration. The heart of the obedient child of God burns to make Christ known and seeks to save souls. The needs of the world are being so overwhelmingly revealed to us today and the truth is so insistently borne in upon us that Christianity is the only remedy for a torn and suffering and sinning world that not to give the gospel is to deny our Lord and to be false to our profession.

Every means available for stirring the church to a cause of her opportunity and arousing her to the privilege of service afforded her should be encouraged. The Woman's Missionary work which carries with it the stimulating and directing of the youth of our churches along the lines of missionary truth and endeavor has proven to be one of the most potent and efficient agencies in our churches for accomplishing this. "Ill fares the church and to hastening ills a prey" where the women have no vision of the service they may render the kingdom by combining their efforts, contributions and prayers, and by training of a generation in whom the forces of missionary interest and zeal will have been kindled in their earliest years. Then the men and the women will be ready to answer the call with their lives and the millions will be forthcoming to maintain the work.

We hold that the pastor is the keyman to the situation. He can unlock the church to the missionary cause or he can lock it so securely that no missionary interest can enter. The pastor who is burdened to have his church catch the missionary spirit can begin in no better way than by organizing the women of his church and through them inculcate missionary truths in the hearts of the young life of his church.

Our Woman's Board continues along the same general lines of last year. Our aim is for \$1200 for the Richmond work and a like amount for the China field, for which field we have accumulated approximately \$300.

The Young People will support the Mountain and Santa Isabel work. Our one-day schools of mission were highly successful and will be conducted during the coming year. The attendance at our last Woman's Missionary Conference was the largest in our history. The amount contributed during the year was \$5,040.00.

The following officers were elected, subject to your approval:

President—Mrs. C. H. Rowland, Franklin, Va.

Vice-President—Mrs. M. J. W. White, Norfolk, Va.

Secretary—Mrs. L. E. Stagg, Norfolk, Va.

Report on Foreign Missions was read by Dr. W. D. Harward, and adopted as follows:

FOREIGN MISSION REPORT

The far-sighted policy of our General Mission Board, including plans for enlarged equipment in both of our present mission fields, has been

adopted, not only because of evident needs but because of faith in our people to co-operate in our forward movement. The enlargement can only be effected by the co-operation of our entire brotherhood.

Attention is called to a most encouraging increase in sympathetic interest in missions, evidenced by increased financial receipts. We urge our people to co-operate with the Mission Board of the Southern Christian Convention, to whom has been assigned the oversight of the work of forwarding our Men and Millions movement and to our Mission Secretary who has been working so faithfully to awaken renewed interest in this movement.

With systematic missionary instruction in our Sunday schools, together with opportunity and encouragement for definite giving for missions, we face a day of enlargement in our mission endeavors. We recommend that such a program be put on in every Sunday school.

The claims of the Great Commission should be instilled into the minds and hearts of our young people. They should be brought up in an atmosphere charged with the spirit of missions. Let the Bible be held up as God's book on missions. Missionary literature including books and periodicals should be placed in the hands of our people. Our own Christian Missionary is invaluable to us as a people. We urge that our people subscribe to and read the Christian Sun. It has something good and helpful each week in the line of missions.

Let us keep before our people a vision of the whitened fields and encourage them to pray the Lord of the harvest to thrust forth laborers. We would call attention to China as our next prospective mission field and urge that we pray for the men in training for this field and for God's leadership in entering the same.

W. D. HARWOOD.

REPORT ON FOREIGN MISSIONS.

Missions is the key word to the saving of the world. Truly the spirit and thought of missions should be carried into every department of our church work. Our Saviour's mission to the world should convince us that he was the greatest missionary the world has ever had. After he had solved the great mission problem, he turned it over to his disciples and commanded them to carry it to all the world, even to every creature. Mark 16:15. We are glad and thankful to report progress in our work in the Foreign Fields.

JAPAN

During the past quadrennium, there has been an increase of more than two hundred in the membership of the churches in Japan. We have in Japan, nine Missionaries; thirteen Japanese ordained ministers; one Japanese Evangelist; three Bible Women; three theological students; five students, training for kindergarten work; seven kindergarten teachers in active service; seventeen organized churches, with a membership of 1562; and Sunday schools with an enrollment of 2,057, with a teaching force of 98. The Japan churches raised during the past quadrennium \$7,424.83. We note with pleasure that the Japanese churches have paid to their native pastors during the past four years \$1,862.00. This shows that the Japanese Christians are not only willing to be saved themselves, but are willing to support those who are trying to evangelize their nation. The Christian Church now has a fine opportunity in Japan to have a worthy part in making Japan Christian.

PORTO RICO

We have in Porto Rico, one missionary family, Rev. D. P. Barrett and wife; one single lady missionary; four native preachers, only one of whom is ordained, who have charge of the various preaching places; one Bible woman; one kindergarten worker; one industrial school conducted by Miss Williams; four organized churches; nine out-posts, with a membership of 255. The total enrollment in Sunday schools is 685.

We have four church buildings. We also have three or four buildings at out stations which are used for preaching places. We very especially need more missionaries for this field, and also more money for the support of this field. We regard the work here as in an encouraging condition. Brother D. P. Barrett has been very faithful in his Porto Rican charge. When we see what has been accomplished in the last thirty years; starting with only thirty-five cents, and now having between twenty and thirty churches and preaching places, a membership of nearly two thousand, and property worth more than one hundred thousand dollars; we should by this time see that our labors and sacrifices have not been in vain. Hence we should not fear to open up a work in China, which we soon hope to do. The success with which we have met, and the inviting fields opening before us and calling us to come over and help, should inspire us with a determination to give a larger support to the Foreign Mission cause.

Here we stop and humbly bow our hearts and heads before God who doeth all things well. He has called from labor to reward, our venerable, and beloved brother, Rev. J. G. Bishop, who was so deeply interested in the cause of Foreign Missions, and for many years took an active part in supporting and conducting it.

We feel that the mission call was never so urgent, and the demand for a better support never so imperative as it is now. In order to meet this demand, let us try to get every member of our churches to become a member of our missionary societies, and thereby become a missionary church. We should teach missions in the Sunday school, in the prayer meetings, from every pulpit, and in every religious service. We recommend to our people the taking, and reading of the CHRISTIAN SUN, and our Missionary Magazine. THE SUN is published in Richmond, Va., and the CHRISTIAN MISSIONARY in Dayton, Ohio.

We further recommend:

(1) That each pastor be urged to keep the subject of missions constantly before his congregation.

(2) That each church be asked to have a mission day service during the year; consisting of songs, recitations, lectures, and offerings.

Respectfully submitted,

P. T. KLAPP,
J. E. FRANKS,
MRS. W. A. HARPER,
Committee.

Discussion of the report.

Address by Dr. J. O. Atkinson.

The resolution presented by Dr. D. A. Long was adopted as follows:

That the North Carolina Christian Conference adopt the Responsive Readings prepared by Dr. J. O. Atkinson, and delivered before the Conference today.

2. That we have at least one card, bearing a picture of the church with the five Cardinal Principles of our Church, in all of our houses of worship as early as possible.

On motion the report of the Woman's Work was adopted.

On motion Rev. J. W. Holt was elected to represent the Conference in the North Carolina Anti-Saloon League.

Rev. L. A. Ledbetter, of the M. P. Church, was presented to the Conference, and invited to a seat as a deliberative member.

SECOND DAY—AFTERNOON SESSION

The Conference was called to order by the President. Period of worship was conducted by Rev. G. O. Lankford.

Moved and carried that items omitted from the morning program be taken up in order.

REPORT ON SUNDAY SCHOOLS AND CHRISTIAN ENDEAVOR

Your committee finds by comparing the reports of our Sunday Schools and Christian Endeavor Societies to this Conference, and to our Sunday School and Christian Endeavor Convention held in July, that these departments of the work are increasing in membership, attendance and enthusiasm; and we feel that this is largely due to the faithful and efficient service of our Board of Religious Education, and to the untiring efforts of our devoted field secretary, Miss Lucy M. Eldredge, in organizing new schools and societies, and bringing to life the dead ones.

We are convinced in our own minds that no board or department in our Church has more responsibility, and a broader field of service than the Board of Religious Education in its work among our young people in the Sunday School and Christian Endeavor Societies, and for this Board to continue to function as it should, requires the hearty and united support of our entire brotherhood: we therefore recommend:

1. That the workers in our churches frequently call upon our Field Secretary, Miss Eldredge, for information and service to aid in promoting the religious educational work of their respective churches.

2. That every church in this Conference organize and keep alive a Sunday School, and a Christian Endeavor Society.

3. That each school and society strive to reach, and maintain the Front Line Standard, and that a monthly offering be taken for our Mission Board, and a monthly offering for our Orphanage.

4. That the work of Week Day Religious Instruction and the Daily Vacation Bible School be endorsed by this Conference, and the value of this work impressed upon our churches.

5. That this Conference continue its endorsement of the work, by stipulating the second week in July of each year as "Our Convention Week," and donating at least \$200.00 through the Board of Religious Education to this cause.

6. That every one of our Sunday Schools observe Men and Millions Day in January, 1923. Program for the day to be furnished.

Respectfully submitted,

C. H. STEPHENSON,
S. M. LYNAM,

Committee.

On motion the report was adopted.

REPORT OF HOME MISSION BOARD

Total amount received during year, \$1,428.97; amount expended, \$1,391.50; leaving a balance in treasury of \$37.47. Of the amount received \$260.00 was received from membership fees of the Christian Missionary Association.

Your Board would recommend:

1. That we should endeavor to revive interest in the Christian Missionary Association. W. P. Lawrence was appointed to collect pledges, receive new members, and otherwise stimulate interest.

2. That Dr. J. O. Atkinson be authorized to investigate, and if deemed advisable arrange for services at Goshen's Chapel.

THIRD DAY—MORNING SESSION

Conference met at 9 A. M. and was called to order by the President.

Devotional Services conducted by Rev. G. O. Lankford.

Dr. W. C. Wicker presented the following resolution:

Whereas there is a motion passed to continue the N. C. Christian Conference for three years; it is moved that the three original Conferences be authorized to reorganize with the same officers and committees as were in office at the time of the merger.

On motion the resolution was adopted.

Rev. Stanley C. Harrell offered the following resolution:

That the local Conferences be requested to hold their annual meetings before the date for the annual session of the N. C. Christian Conference, which meets on Tuesday following the second Sunday in November.

That the membership of the N. C. Christian Conference shall consist of, First, all ordained ministers holding membership in the local Conferences, and Second, lay delegates elected by the local Conferences, on the basis of one lay delegate for each two hundred members or major fraction thereof within said local Conference.

It is furthermore requested that a Commission of Polity be appointed to draw up, and submit to the N. C. Christian Conference during its present session, Articles of Agreement outlining the scope of work, and authority to be exercised both by the local Conference and by the General Conference.

On motion the resolution was adopted.

Supt. Chas. D. Johnson presented the claims of the Christian Orphanage. Moved and unanimously carried that the Conference endorse the work being done by Superintendent Johnson at the Orphanage.

Dr. W. A. Harper presented the report for the Committee on Christian Union as follows:

The recent session of the Eastern Virginia Conference called on this body

The recent session of the American Christian Convention began with a sermon on Christian Union, and throughout the eight days of the Convention the necessity of this next step in the progress of the Kingdom was constantly referred to. A Standing Committee on Christian Union was appointed, and ordered to make overtures to other Churches looking to the reunion of the Church of Christ.

The recent session of the Eastern Virginia Conference called on this body to join them in a joint Memorial to the Executive Committee of the Southern Christian Convention to appoint a Commission at once to make overtures to the Free-Will Baptist Church in this state looking to union with our people. We recommend that your Committee on Christian Union be authorized to join in this Memorial.

We call special attention to the World Conference on Faith and Order which meets in Washington, D. C. in May. We recommend that this Conference elect a representative to attend this the greatest gathering to consider the theme of Christian Union ever assembled in the United States.

(Signed) W. A. HARPER,
J. O. ATKINSON,
Committee.

On motion the report was adopted.

Drs. J. O. Atkinson and W. A. Harper were elected delegates to the World Conference on Faith and Order.

Dr. N. G. Newman reported for the Committee on Education as follows:

The rapid development and increasing efficiency of public education is a challenge to the church. The State may educate, but the church must Christianize education. The American Christian Convention has coordinated its educational work under one department with a general Secretary of Education. The Southern Christian Convention is projecting Bethlehem College, Wadley, Ala., as a junior Christian college. Our people are appreciating more the advantages of Elon College as evidenced by an increase of 20 per cent. this year in the number of students from our own church. There is also an increase in the number of ministerial students.

We recommend:

1. That our people continue their loyalty to Elon College both in moral and financial support.
2. That our ministers seek to enlighten and be helpful to our young people in deciding the great question of life service.
3. That we endorse the Church's system of education as adopted by the Board of Education.

LICENTIATES

G. C. Crutchfield is a member of the Junior Class at Elon College and has been preaching for four years as a licentiate. He applies for ordination, and is recommended by the Church of which he is pastor. After due examination we recommend his ordination.

M. T. Sorrell, now in the Sophomore Class at Elon College, has been preaching one year as a licentiate. He applies for ordination and is recommended by his Church, but it is the judgment of your committee that it would be best for him to continue longer as a licentiate.

W. T. Scott and S. M. Lynam, of the Junior Class at Elon College, are serving churches and pursuing their studies.

I. T. Underwood, R. H. Coble, D. T. McKinney, and John M. Allred are doing Christian work as opportunity affords. We recommend that all these licentiates be continued as such.

CANDIDATES

E. C. Brady and H. E. Crutchfield, students in Elon College, have applied for licensure. We have duly examined them and recommend their licensure.

W. B. Terrell continues his studies in Elon College.

J. F. Johnson, a member of Wake Chapel Church, applies for licensure. We have carefully examined him, and recommend his licensure.

Archie H. Hook, a Junior at Elon College and a member of the Elon College Christian Church, applies for licensure. After due examination we recommend his licensure.

E. C. Jenkins, Thomasville, N. C., formerly a licentiate in the Georgia and Alabama Conference and now a member of Pleasant Union Church, asks for recognition as a licentiate in the Conference. We recommend that he be received as a candidate for the ministry until such time as he shall prove himself fitted for licensure according to the requirements of this Conference.

Rev. W. L. Wells, Portsmouth, Va., asks for a letter of transfer to the East Virginia Christian Conference. Rev. Hamilton J. Fleming, South Portland, Me., asks for a transfer to the Cumberland Association of Congregational Churches and Ministers. We recommend these transfers.

Rev. S. L. Beougher, Graham, N. C., desires to become a member of this Conference. We recommend that he be received, and that his letter from the Rockingham Conference, Mass., be deposited with the Secretary of Conference.

Rev. T. E. White asks for a letter of transfer to the East Virginia Christian Conference. We recommend that it be granted.

We recommend a loan of \$150.00 to G. C. Crutchfield, and \$100 to H. E. Crutchfield, to aid them in paying their expenses in Elon College, and that the chairman of this committee order the payment of these loans in three equal installments, December 1, March 1, and May 1.

On motion the Secretary was requested to convey to these brethren the assurance of the Conference's regard, affection, and prayers.

Rev. C. B. Riddle reported for the Committee on Religious Literature as follows:

A nation can rise no higher than the literature it produces. The literary production of a nation is its intellectual index. A church cannot produce great men without great literature. The first of the church's great literature is the Bible, and this book must be the central theme of all religious litera-

ture; it must be the foundation of all writings and teachings for the world's uplift. Religious literature is the channel of religious thought, religious inspiration, and religious belief. It is the channel of missionary effort, of Christian education, and of mind direction for the Kingdom's progress and growth.

We cannot believe that the Bible is being discarded. The increasing number of volumes of the Bible, sold every year, is our greatest witness to this statement. There are more people reading the Bible today than ever known. The conspicuous place that the family Bible once made in the home may no longer be observed, but it is being individually read in religious books, magazines, and in multiplied forms. We cannot believe that the Bible is being denied, as many think it is. Our own church allows individual interpretation; and individual interpretation is not unbelief. It is the seeking for all the truth in various forms.

Wherever the Bible is read and studied religious belief and conviction spring up. Wherever religious periodicals are read religious interests are awakened. The church paper is the greatest missionary of the church. The paper is the pioneer missionary, and to neglect its place in our church life is to cut off one of our main arteries of life. We often speak of the church paper suffering; this is not correct. It is the church itself that suffers. The church paper is mute, silent, but lasting and powerful. It finds its way into homes where no pastor ever goes, where no other missionary ever plants his or her feet. Its pages make daily and weekly visitations where pastors make monthly, quarterly, or yearly calls.

The church paper is one piece of literature that we cannot afford to neglect. We, therefore, call upon this Conference for a renewed interest, for a greater pledge, for a more definite support of all our papers. The CHRISTIAN SUN is our first consideration. It should be in every home of our great church. The HERALD OF GOSPEL LIBERTY, the oldest religious newspaper in the world, should have a larger circulation among us. The CHRISTIAN MISSIONARY should be the hand-book in every missionary society as a medium of ideas, inspiration, and missionary interest.

We urge the members of this Conference to help exalt the place of religious books, tracts, pamphlets, and papers in our homes. We would suggest that each pastor preach at least one sermon each year on the subject of religious literature, and in so doing show to the congregation samples of our own literature, bring to the attention of the people the men and women who produce our literature, and thus help to teach our people of our own literature and our own writers. We solicit the co-operation of our people in studying closely our own principles, our history, and program in the world evangelization.

We would recommend that when new members are received into church fellowship that mention be made of the church paper as a part of the Christian's study and reading.

We would recommend that pastors teach their lay members that it is largely their part to help circulate the church paper.

We would recommend that church deacons be taught that it is their duty to read and support the church paper as part of their duty toward the church.

We would recommend that all candidates for the ministry be requested to be a subscriber to the church paper and to possess a copy of the Government and Principles of the Christian Church.

STANLEY C. HARRELL,
B. J. HOWARD,

Committee.

Address on Religious Literature by Rev. T. E. White.

On motion the report of the Committee was adopted.

An Ordaining Presbytery, composed of Revs. T. E. White, W. S. Long and P. H. Fleming, ordained Brother G. C. Crutchfield as an Elder of the Christian Church.

THIRD DAY—AFTERNOON SESSION

Conference called to order at 1:45 by the President.

Prayer by Rev. S. L. Beougher.

REPORT ON SUPERANNUATION

We recommend continued approval of the plan adopted by the Southern Christian Convention for the administration of our Superannuation Funds. We rejoice that we have had sufficient funds so far to care for all ministers and widows of ministers seeking our aid.

(Signed) K. B. JOHNSON,
L. M. CLYMER,
Committee.

On motion the report was adopted.

REPORT ON APPORTIONMENTS

Several churches have asked for their apportionments to be reduced. Somehow the enlargement of our work demands an increase. We are therefore of the opinion that no change should be made in the apportionments, and further that every church be urged to raise its apportionments in full.

We further recommend that \$400.00 be apportioned to the Sunday School and Christian Endeavor Convention rather than \$200.00 as last year, and also that \$400.00 be apportioned to the Superannuation Fund as last year.

Finally we recommend that the funds with these exceptions be apportioned according to the regular percentages as voted by this Conference.

(Signed) K. B. JOHNSON,
C. H. STEPHENSON,
Committee.

On motion the report was adopted.

Moved and carried that the *Tabulating Committee* be permitted to report to the Secretary.

Christian Conference shall expire, that the local Conferences each elect three members, who shall constitute a Home Mission Board of the N. C. Christian Conference under the present charter of said N. C. Christian Conference.

2. That we approve the motion passed in the morning's session providing for the local Conferences to elect delegates to the N. C. Christian Conference on the basis of one lay delegate for every 200 members or major fraction thereof.

The motion was adopted.

Moved and carried that Rev. J. W. Holt be requested to prepare Memoir of Rev. J. W. Pinnix and forward same to the Secretary for publication. The Memoir reads as follows:

REPORT OF COMMITTEE ON FIELD

Your committee on field begs leave to report that no new field of home mission work has been suggested to us during the past year. We are firmly of the opinion that some new place of effort would materially help to create and sustain an interest in the Association. In this land of plenty it would not require a long term of years to put a church on a self-supporting basis. This body must do more than subscribe to secure additional funds. The far more important thing is to enter new fields and establish new churches within the bounds of this conference.

The time is ripe for other churches to be organized and fostered if we are to meet our increasing opportunities for kindom service.

I. W. JOHNSON,
C. D. WEST,
Committee.

AFTERNOON SESSION

Called to order by President O. D. Poythress.

Devotional services conducted by Rev. E. B. Flory.

REPORT OF COMMITTEE ON RESOLUTIONS

Your committee on resolutions submits the following report:

That our expression of appreciation be extended to the Union South-hampton Church for entertaining the Association and for every courtesy and kindness rendered us.

MRS. I. W. JOHNSON,
JAMES H. LIGHTBOURN,

REPORT OF COMMITTEE ON FINANCE

We have examined the Treasurer's books and we find them correct.

JOHN KING,
W. L. WELLS,

REPORT OF COMMITTEE ON PLANS

The collections indicate a total for subscriptions to be about \$1,500. We, therefore, recommend the following appropriations:

1. To the East End Church, Newport News, \$200, to be paid to the Treasurer of said church.

2. That \$700 be given to the Portsmouth Church as the final payment on the church debt. The same to be paid when the obligations now held against the church are all ready for cancellation, so that this payment of \$700 shall set the church free from debt.

3. That \$300 be paid to the Christian Temple on building fund as an additional payment on the \$10,000 obligation to the church from this Association. This will make \$1,500 paid.

4. That \$300 be paid to the South Norfolk Church in addition to the \$1,500 already paid, making \$1,800 of the \$2,500 promised on the new building by this Association.

5. That Treasurer B. D. Jones be directed to pay the entire free will offering of the last meeting of the Association to Norman Harrell, an mortgage debt of Ocean View Church. The same being \$300 or less.

6. Elm Avenue Church placed an application for aid into our hands, but as there are no more funds under our control beyond the above appropriations, we will, with your approval, pass the same up to the Board of Missions of the Southern Convention, as they have heretofore aided that church materially in its work.

Beyond the appropriations named above there remain sufficient funds in sight to meet current expenses.

W. W. STALEY,
R. B. ODOM,
J. E. WEST.
C. H. ROWLAND,
Committee.
